Docket No: 05-TN-100.

The eye of the "Indian" is Rice Lake, WI. It is also the "midway point" of a lot of traffic. I'm for a Geographic split, and believe that Rice Lake shouldn't have to use the Area code's for Barron - any Rice Lake no: or Birchwood. I think it should stay the same and dialing that many numbers would be too much to ask for.

As far as other county's go (not including Barron + Wash(barn)) I can see it. Even now when I dial out of Area's I have to use the Area Code 715.

There must be a simpler answer!?

Thank you +

Sincerely,
