to Mr Edward Marion -
Public Service Commission of Wis.

I wish to express my great concern about P.SCW Docket 137 - CE-139 - ATC's North Madison to Huiscamp Transmission Project. I am requesting full party status in this matter to assert my interest in the issues of the case. ATC has failed to prove justifiable need for these lines considering the ill effects of these lines to the environment, health and waste of energy.

Please direct all information on this matter to me.

I will greatly appreciate your attention to this request.
