1.2 “Act” means the Communications Act of 1934, as amended by the Telecommunications Act of 1996, and as from time-to-time interpreted in the duly authorized rules and regulations of the FCC or the Commission having authority to interpret the Act within its state of jurisdiction.

Each Northeast exchange has local calling (either Extended Area Service or Extended Community Calling) to additional exchanges, but the additional exchanges are not listed since Telecorp currently does not have an NPA/NXX assigned to any of the additional exchanges. The terms of this agreement do not affect the rates billed by either Party to their own customers.

1.18

“Local Exchange Carrier” or “LEC” is As Defined in the Act.

1.19 “Mobile Switching Center” or MSC means the switching center used by a CMRS carrier in performing routing functions for originating or terminating functions for calls to or from end user customers of the CMRS carrier.

1.21 “NXX” means the three-digit code that appears as the first three digits of a seven-digit telephone number within a valid area code (i.e., an NXX other than a special 500, 600, 700, 800 and 900 codes).

1.30 “Transport” means the transmission and any necessary tandem switching of Telecommunications Traffic subject to Section 251(b)(5) of the Act from the POI between the two carriers to the terminating carrier’s End Office Switch that directly serves the called party, or equivalent facility provided by a carrier other than an incumbent LEC.

2.0 INTERPRETATION AND CONSTRUCTION

All references to Sections, Exhibits and Schedules shall be deemed to be references to Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of references only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offerings, guides or practices, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

3.0 SCOPE OF AGREEMENT

This Agreement shall cover interconnection arrangements and reciprocal compensation for the exchange of Telecommunications Traffic between Northeast's network and Telecorp' network in the Milwaukee Wisconsin MTA.

4.0 SERVICE AGREEMENT

4.1 Description of Arrangements. This Agreement provides for the following interconnection and arrangements between the networks of Telecorp and Northeast.

4.1.1 Description. Telecorp currently does not wish to have a direct facilities connection with Northeast. Absent such a connection, traffic originating from Telecorp's CMRS network and terminating to Northeast's network will be routed via Ameritech's tandem switch to a POI with Northeast and then be routed to the Northeast End Office. Traffic originating on the network of Northeast to be terminated to Telecorp's network will be routed in accordance with the Telcordia Traffic Routing Administration instructions for Telecorp's applicable NPA/NXXs.

4.1.2 In the event that Telecorp desires to effect a direct facilities connection with Northeast, the Parties agree to negotiate in good faith to promptly establish and implement the terms and conditions for such an interconnection, which terms and conditions shall be consistent with the requirements of the Act.

4.1.3 Nothing in this Agreement shall prohibit Telecorp from enlarging its CMRS network through contractual affiliations with third parties for the construction and operation of a CMRS system under the Telecorp brand name and license. Traffic originating on such extended networks shall be treated as Telecorp traffic under the terms and conditions of this Agreement.

5.0 RECIPROCAL COMPENSATION

5.1 Reciprocal Compensation. Telecorp shall compensate Northeast for the Transport and Termination of Mobile-to-Land Telecommunications Traffic originated on Telecorp's network and terminated on Northeast's network subject to the provisions of 5.2. Northeast shall compensate Telecorp for the Transport and Termination of Land-to-Mobile Telecommunications Traffic originated on Northeast's network and terminated on Telecorp's network subject to the provisions of 5.2.

5.1.1 Telecorp shall compensate Northeast for the Transport and Termination by Northeast of Telecommunications Traffic originated by Telecorp's customers on Telecorp's network and terminated to Northeast's customers on Northeast's network, as defined in Section 1.18 above. The rate for Reciprocal Compensation shall be \$0.0175 per minute.

5.1.2 Northeast shall compensate Telecorp for the Transport and Termination of Telecommunications Traffic originated by Northeast's customers on Northeast's network and terminated to Spectrum's customers on Telecorp's network, as defined in Section 1.18 above. The rate for Reciprocal Compensation shall be \$0.0175 per minute.

5.2 Traffic Not Subject to Reciprocal Compensation. Traffic that is not subject to Reciprocal Compensation under this Agreement shall continue to be charged at the appropriate relevant state and federal access tariffs. For the purpose of this Agreement, Reciprocal Compensation shall not apply to:

5.2.1 Paging Traffic

5.2.2 Traffic which originates on a Party's physical switch is transported and handed off to the other Party and then routed/delivered to an internet service provider (ISP) point of presence. The Parties agree that as of the date of this Agreement such traffic is non-existent or de minimis. If the situation changes, each Party agrees (i) to cooperate with the other Party and take any and all reasonable steps to identify all ISP traffic (e.g., Internet) that originated on its network that is routed to the other Party; and, (ii) to amend this Agreement to conform to the FCC's *Order on Remand and Report and Order, Implementation of the Local Competition Provisions in the Telecommunications Act of 1996* (CC Docket No. 96-98); *Inter-carrier Compensation for ISP-Bound Traffic* (CC Docket No. 99-68, FCC 01-131 released April 27, 2001) to the extent that such ruling has become final and effective.

5.2.3 900 and 976 Calls.

5.2.4 Interexchange Carrier Traffic. Traffic that originates on Northeast's network and terminates to a Telecorp NPA/NXX outside of Northeast's Local Calling Scope, as defined in Section 1.17, and routes through an IXC.

5.2.5 Traffic which does not qualify as Telecommunications Traffic, including, but not limited to interMTA traffic and interstate access "roaming" traffic.

6.0 NOTICE OF CHANGES

If a Party makes a change in its network which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party.

7.0 GENERAL RESPONSIBILITIES OF THE PARTIES

7.1 Not later than forty-five (45) days from the Effective Date, the Parties shall jointly cooperate to develop and finalize a schedule for promptly implementing all requirements of this Agreement (“Implementation Schedule”). Both Telecorp and Northeast shall use commercially reasonable efforts to comply with the Implementation Schedule.

7.2 Each Party is individually responsible for providing facilities within its network which are necessary for routing, transporting, measuring and billing traffic from the other Party’s network and for delivering such traffic to the other Party’s network in a mutually acceptable format and to terminate the traffic it receives in that mutually acceptable format to the proper address on its network. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan. Neither Party shall use any service related to or provided for in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party’s customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.

7.3 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.

7.4 Each Party is responsible for administering NXX codes assigned to it.

7.5 Each Party is responsible for obtaining Local Exchange Routing Guide (“LERG”) listings of Common Language Location Identifier (CLLI) codes assigned to its switches.

7.6 Each Party shall use the LERG published by Telcordia Technologies, Inc. (“Telcordia”) or its successor for obtaining routing information and shall provide all required information to Telcordia for maintaining the LERG in a timely manner.

8.0 TERM AND TERMINATION

8.1 Subject to the provisions of Section 15 and Subsection 8.2, the initial term (“Initial Term”) of this Agreement shall be for two (2) years which shall commence on the Effective Date. Absent the receipt by one Party of written notice from the other Party at least ninety (90) days prior to the expiration of the Initial Term or prior to any renewal term (as described below) (“Termination Period”) or upon material breach of this Agreement to the effect that such Party intends to terminate this Agreement with or without cause, this Agreement shall automatically renew for an additional one (1) year term (“Renewal Term”).

8.2 If, during the Termination Period a Party makes a written request (“Request”) for interconnection, services or network elements pursuant to Sections 251 and 252 of the Act, the Initial Term or Renewal Term, as the case may be, of this Agreement shall be extended on the same economic terms and conditions, and service shall continue, until the Request has been resolved by voluntary agreement, mediation, or arbitration and a new agreement is approved and is in effect.

8.3 Upon termination or expiration of this Agreement in accordance with this Section:

(a) each Party shall promptly pay all undisputed amounts (including any late payment charges) owed under this Agreement;

(b) each Party’s indemnification and confidentiality shall survive termination or expiration of this Agreement for a period of two years.

9.0 PAYMENTS AND BILLING

9.1 Calculation of Payments. The Parties agree that payments due under this Agreement shall be calculated as follows:

9.1.1 Telecorp will compensate Northeast for Telecommunications Traffic originated by Telecorp’s customers and delivered to Northeast for termination to its customers, as defined and at the rates identified in Section 5.0. Northeast will compensate Telecorp for Telecommunications Traffic originated by Northeast’s customers and delivered to Telecorp for termination to its customers, as defined and at the rates identified in Section 5.0. Each Party’s NXXs as of the date of this agreement are identified in the LERG and are subject to change from time to time.

9.2. Both Parties shall prepare a monthly billing statement which will separately reflect the calculation of Reciprocal Compensation.

9.3 Parties will compensate each other for Telecommunications Traffic delivered to each other for termination on their respective networks based on verifiable records of actual usage or on the basis of

Ameritech billing records. For terminating calls based on verifiable records of actual usage, usage begins when the terminating recording switch (i.e, the MSC or LEC tandem) receives answer supervision from the terminating end user. The measurement of terminating call usage ends when the MSC receives or sends a release message, whichever occurs first.

9.4 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:

9.4.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall within thirty (30) days of its receipt of the invoice containing such disputed amount give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party.

9.4.2 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party. Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under applicable law provided that the Non-Paying Party shall not pay interest on any amounts that it successfully disputes but shall pay interest on an amount that it unsuccessfully disputes.

9.5 Upon a Party's request and at a mutually agreed upon time during normal business hours the requesting Party shall have the right to inspect the records which are the basis for any monthly bill as defined in Section 9.3 above for the preceding 12 months issued by the other Party and to request copies thereof. The number of requests made under this Section by either Party shall not be more than once per twelve (12) month period.

10.0 CANCELLATION CHARGES

No cancellation charges shall apply.

11.0 INDEMNIFICATION

11.1 General Indemnity Rights. Each Party (the "Indemnifying Party") will defend and indemnify the other Party, its officers, directors, employees and permitted assignees (collectively, the "Indemnified Party") and hold such Indemnified Party harmless against:

11.1.1 Any loss to a third person arising out of the gross negligence or willful misconduct ("Fault") by such Indemnifying Party or the Fault of its employees, agents and subcontractors; provided, however, that (1) with respect to employees or agents of the Indemnifying Party, such Fault occurs while performing within the scope of their employment, (2) with respect to subcontractors of the Indemnifying Party, such Fault occurs in the course of performing duties of the subcontractor under its subcontract with the Indemnifying Party, and (3) with respect to the Fault of employees or agents of

such subcontractor, such Fault occurs while performing within the scope of their employment by the subcontractor with respect to such duties of the subcontractor under the subcontract.

11.1.2 Any claims for libel, slander, infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and

11.1.3 Any claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or using the Indemnified Party's services or facilitates in connection with, facilities of the Indemnifying Party.

11.1.4 Any loss arising from such Indemnifying Party's failure to comply with applicable law, including the Act or applicable FCC or Commission rule.

11.2 Indemnification Procedures. Whenever a Claim for indemnification arises under this Section, the relevant Indemnified Party, as appropriate, will promptly notify the Indemnifying Party and request the Indemnifying Party to defend the same. Failure to so notify the Indemnifying Party will not relieve the Indemnifying Party of any liability that the Indemnifying Party might have, except to the extent that such failure prejudices the Indemnifying Party's ability to defend such Claim or loss. The Indemnifying Party will have the right to defend against such liability or assertion in which event the Indemnifying Party will give written notice to the Indemnified Party of acceptance of the defense of such Claim or loss and the identity of counsel selected by the Indemnifying Party. Until such time as Indemnifying Party provides such written notice of acceptance of the defense of such Claim or loss, the Indemnified Party will defend such Claim or loss, at the expense of the Indemnifying Party, subject to any right of the Indemnifying Party, to seek reimbursement for the costs of such defense in the event that it is determined that Indemnifying Party had no obligation to indemnify the Indemnified Party for such Claim or loss. The Indemnifying Party will have exclusive right to control and conduct the defense and settlement of any Claims or losses for which it has given notice of acceptance of the duty to defend, subject to consultation with the Indemnified Party. The Indemnifying Party will not be liable for any settlement by the Indemnified Party unless such Indemnifying Party has approved such settlement in advance and agrees to be bound by the agreement incorporating such settlement. At any time, an Indemnified Party will have the right to refuse a compromise or settlement and, at such refusing Party's cost, to take over such defense; provided that in such event the Indemnifying Party will not be responsible for, nor will it be obligated to indemnify the relevant Indemnified Party against, any cost or liability in excess of such refused compromise or settlement. With respect to any defense accepted by the Indemnifying Party, the relevant Indemnified Party will be entitled to participate with the Indemnifying Party in such defense if the Claim or loss requests equitable relief or other relief that could affect the rights of the Indemnified Party and also will be entitled to employ separate counsel for such defense at such Indemnified Party's expense. If the Indemnifying Party does not accept the defense of any indemnified Claim or loss as provided above, the Indemnified Party will have the right to employ counsel for such defense at the expense of the Indemnifying Party. Each Party agrees to cooperate and to cause its employees and agents to cooperate with the other Party in the defense of any such Claim or loss, and the relevant records of each Party will be available to the other Party with respect to any such defense.

12.0 LIMITATION OF LIABILITY

12.1 Limited Responsibility. Each Party shall be responsible only for service(s) and facility(ies) which are provided by that Party, its authorized agents, subcontractors, or others retained by such Party, and neither Party shall bear any responsibility for the services and facilities provided by the other Party, its Affiliates, agents, subcontractors, or other persons retained by such parties. No Party shall be liable for any act or omission of another Telecommunications Carrier (other than an Affiliate) providing a portion of a service.

12.2 Apportionment of Fault. In the case of any Loss arising from the negligence or willful misconduct of both Parties, each Party shall bear, and its obligation shall be limited to, that portion of the Loss and resulting expense caused by its negligence or misconduct or the negligence or misconduct of such Party's Affiliates, agents, contractors or other persons acting in concert with it.

12.3 Limitation of Damages. In no event will either Party have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including loss of anticipated profits or revenue in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages; provided that the foregoing will not limit (i) a Party's obligation under Section 11 to indemnify, defend and hold the other Party harmless against any amounts payable to a third person, including any losses, costs, fines, penalties, criminal or civil judgments or settlements, expenses (including reasonable attorneys' fees) and Consequential Damages of such third person, or (ii) a Party's liability to the other for willful or intentional misconduct. In no event, other than an obligation to make payments hereunder or to indemnify pursuant to Section 11, will either Party's liability to the other be greater than the prior six (6) months of payments made to the other Party under this Agreement from the date such claim is first made.

12.4 Force Majeure. Neither Party shall be liable for any delay or failure in performance of any part of this Agreement, other than the obligation to pay money as detailed in Section 9.2, from any cause beyond its control and without its fault or negligence including, without limitation, acts of nature, acts of civil or military authority, government regulations, embargoes, epidemics, terrorist acts, riots, insurrections, fires, explosions, earthquakes, nuclear accidents, floods, work stoppages, equipment failure, power blackouts, volcanic action, other major environmental disturbances, unusually severe weather conditions, inability to secure products or services of other persons or transportation facilities or acts or omissions of transportation carriers (individually or collectively, a "Force Majeure Event").

12.4.1 If a Force Majeure Event shall occur, the Party affected shall give prompt notice to the other Party of such Force Majeure Event specifying the nature, date of inception and expected duration of such Force Majeure Event, whereupon such obligation or performance shall be suspended to the extent such Party is affected by such Force Majeure Event during the continuance thereof or be excused from such performance depending on the nature, severity and duration of such Force Majeure Event (and the other Party shall likewise be excused from performance of its obligations to the extent

such Party's obligations relate to the performance so interfered with). The affected Party shall use its reasonable efforts to avoid or remove the cause of nonperformance and the Parties shall give like notice and proceed to perform with dispatch once the causes are removed or cease. Notwithstanding the preceding, no delay or other failure to perform shall be excused pursuant to this Section: (i) by the acts or omission of a Party's subcontractors, material, men, suppliers or other third persons providing products or services to such Party unless such acts or omissions are themselves the product of a Force Majeure Event, and unless such delay or failure and the consequences thereof are beyond the control and without the fault or negligence of the Party claiming excusable delay or other failure to perform, or (ii) if such Party fails to implement any steps taken to mitigate the effects of a Force Majeure Event (e.g., disaster recovery plans) in a nondiscriminatory manner during the period performance is impaired.

13.0 DISCLAIMER OF REPRESENTATION AND WARRANTIES

Except as expressly provided under this Agreement, no Party makes or receives any warranty, express or implied, with respect to the services, functions and products it provides or is contemplated to provide under this Agreement and the Parties disclaim the implied warranties of merchantability and/or of fitness for a particular purpose.

14.0 REGULATORY APPROVAL

14.1 Commission Approval. The Parties understand and agree that this Agreement will be filed by Northeast with the Commission and may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval without modification of this Agreement by the Commission or the FCC under Section 252 of the Act. If the Commission or the FCC rejects any portion of this Agreement, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion of the Agreement; provided that such rejected portion shall not affect the validity of the remainder of this Agreement. The Parties acknowledge that nothing in this Agreement shall limit a Party's ability, independent of such Party's agreement to support and participate in the approval of this Agreement, to assert public policy issues relating to the Act.

14.2 Regulatory Changes. If any final and non-appealable legislative, regulatory, judicial or other legal action materially affects the ability of a Party to perform any material obligation under this Agreement, a Party may, on thirty (30) days' written notice (delivered not later than thirty (30) days following the date on which such action has become legally binding and has otherwise become final and non-appealable) to the other Party require that the affected provision(s) be renegotiated and the Parties shall renegotiate in good faith such mutually acceptable new provision(s) as may be required; provided that such affected provisions shall not affect the validity of the remainder of this Agreement. If such new provisions are not renegotiated within thirty (30) days after such notice, either Party may petition for arbitration pursuant to § 252 of the Act.

14.3 Amendment or Other Changes to the Act: Reservation of Rights. The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated there under by the FCC and the Commission as of the Effective Date. In the event of any amendment of the Act, or any final and non-appealable

legislative, regulatory, judicial order, rule or regulation or other legal action that revises or reverses the Act, the FCC's First Report and Order in CC Docket Nos. 96-98 and 95-185 or any applicable Commission order or arbitration award purporting to apply the provisions of the Act occurring after the Effective Date (individually and collectively, and "Amendment to the Act"), either Party may by providing written notice to the other Party require that the affected provisions be renegotiated and amended accordingly to reflect the pricing, terms and conditions of each such Amendment to the Act relating to any of the provisions in this Agreement. If any such amendment to this Agreement affects any pricing, rates or charges of the services provided under this Agreement, such amendment shall be retroactively effective as determined by the Commission or other agency or court with jurisdiction over this Agreement, and each Party reserves its rights and remedies with respect to the collection of such rates or charges on a retroactive basis. If such new provisions are not renegotiated within thirty (30) days after such notice, either Party may petition for arbitration pursuant to § 252 of the Act. Except as otherwise provided for in this section (14.3) and Section 15.0, neither Party waives any rights it might have under the Act and the rules and regulations promulgated thereunder by the FCC and/or the Commission.

15.0 DISPUTE ESCALATION AND RESOLUTION

Except as otherwise provided herein, any dispute, controversy or claim (individually and collectively, a "Dispute") arising under this Agreement shall be resolved in accordance with the procedures set forth in this Section 15.0. In the event of a Dispute between the Parties relating to this Agreement and upon the written request of either Party, each of the Parties shall within five (5) days from the written request appoint a designated representative who has authority to settle the Dispute and who is at a higher level of management than the persons with direct responsibility for administration of this Agreement. The designated representatives shall meet as often as they reasonably deem necessary in order to discuss the Dispute and negotiate in good faith in an effort to resolve such Dispute. The specific format for such discussions will be left to the discretion of the designated representatives; however, all reasonable requests for relevant information made by one Party to the other Party shall be honored. If the Parties are unable to resolve issues related to a Dispute within thirty (30) days after the Parties' appointment of designated representatives as set forth above, a Party may (i) bring an action in an appropriate Federal district court, (ii) file a complaint with the FCC pursuant to Section 207 or 208 of the Act, (iii) seek a declaratory ruling from the FCC, (iv) file a complaint in accordance with the rules, guidelines and regulations of the Commission or (v) seek other relief under applicable law.

16.0 MISCELLANEOUS

16.1 Authorization.

16.1.1 Northeast is a corporation duly organized, validly existing and in good standing under the laws of the State of Wisconsin and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to necessary regulatory approval.

16.1.2 Telecorp is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to necessary regulatory approval.

16.2 Compliance. Each Party shall comply with all applicable federal, state, and local laws, rules, and regulations applicable to its performance under this Agreement.

16.3 Independent Contractors. Neither this Agreement, nor any actions taken by Telecorp or Northeast, in compliance with this Agreement, shall be deemed to create an agency or joint venture relationship between Telecorp and Northeast, or any relationship other than that of purchaser and seller of services. Neither this Agreement, nor any actions taken by Telecorp or Northeast in compliance with this Agreement, shall create a contractual, agency, or any other type of relationship or third party liability between Telecorp and Northeast end users or others.

16.4 Confidentiality.

16.4.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a Disclosing Party) that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, agents (its “Representatives” and with a Party, a “Receiving Party”) pursuant to this Agreement (“Proprietary Information”) shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be marked “Confidential” or “Proprietary” or by other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, it (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law only in accordance with Section 16.4.2 of this Agreement.

16.4.2 If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure. The Disclosing Party may seek appropriate protective relief from all or part of such requirement or if it fails to successfully do so, the Receiving Party may comply with the requirement. The Receiving Party shall not interfere with the Disclosing Party’s efforts to obtain any protective relief which such Disclosing Party chooses to obtain.

16.4.3 In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other
