

AMENDMENT NO. 2
to the
INTERCONNECTION AGREEMENT – WISCONSIN
by and between
AMERITECH WISCONSIN
AND
NORTHERN TELEPHONE & DATA CORPORATION

The Interconnection Agreement (“the Agreement”) by and between Ameritech Wisconsin and Northern Telephone & Data Corporation (“CLEC”), approved by the Public Service Commission of Wisconsin is hereby amended as follows:

1.0 AMENDMENTS TO THE AGREEMENT

- 1.1 Add Appendix LIDB & CNAM Service and update List of Schedules to reflect this addition. (See Attachment “A”)**
- 1.2 Add Pricing Table regarding LIDB & CNAM Service and update List of Schedules in the Table of Contents to reflect this addition. (See Attachment “B”)**

2.0 MISCELLANEOUS

- 2.1 This Amendment shall not modify or extend the Effective Date or Term of the underlying Agreement, but rather, shall be coterminous with such Agreement.**
- 2.2 EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OR THE UNDERLYING AGREEMENT SHALL REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT, and such terms are hereby incorporated by reference and the Parties hereby affirm the terms and provisions thereof.**
- 2.3 This Amendment shall be filed with and subject to approval by the Public Service Commission of Wisconsin.**

IN WITNESS WHEREOF this Amendment to the Agreement was exchanged in triplicate on this 1st day of June 2001, by Ameritech Wisconsin, signing by and through its duly authorized representative, and CLEC, signing by and through its duly authorized representative.

Northern Telephone & Data Corporation

Date: JUN 01 2001

*On January 25, 1999, the United States Supreme Court issued its opinion in *AT&T Corp. v. Iowa Utilities Board*, 119 S. Ct. 721 (1999) and on June 1, 1999, the United States Supreme Court issued its opinion in *Ameritech v. FCC*, No. 98-1381, 1999 WL 116994, 1999 Lexis 3671 (June 1, 1999). In addition, on November 5, 1999, the FCC issued its Third Report and Order and Fourth Further Notice of Proposed Rulemaking in CC Docket No. 96-96 (FCC 99-238), including the FCC's Supplemental Order issued *In the Matter of the Local Competition Provisions of the Telecommunications Act of 1996*, in CC Docket No. 96-98 (FCC 99-370) (rel. November 24, 1999), portions of which become effective thirty (30) days following publication of such Order in the Federal Register (February 17, 2000) and other portions of which become effective 120 days following publication of such Order in the Federal Register (May 17, 2000). By executing this amendment, Ameritech Wisconsin does not waive any of its rights, remedies or arguments with respect to such decisions and any remands thereof, including its right to seek legal review or a stay of such decisions, or its rights under the Interconnection Agreement between Northern Telephone & Data Corporation and Ameritech Wisconsin.

APPENDIX LIDB AND CNAM SERVICE

I. INTRODUCTION

- 1.1 This Appendix sets forth the terms and conditions for Line Information Data Base (LIDB) Service and/or Calling Name Database Service provided by the applicable SBC Communications Inc. (SBC) owned Incumbent Local Exchange Carrier (ILEC) and CLEC.
- 1.2 Neither SBC-AMERITECH nor SNET own a LIDB. Additionally, SNET does not own a CNAM Database. Both SBC-AMERITECH and SNET obtain these services from SNET Diversified Group (SNET DG). SNET DG is a third-party Database provider of LIDB and CNAM Database Services, which also provides Database storage and administration for other carriers not a party to this Agreement. The terms, conditions, and prices for query access in this Agreement will apply to CLEC's Query access of SBC-AMERITECH's and SNET's data on SNET DG's Database. Query access to all other data on SNET DG's LIDB and CNAM Database will be pursuant to an agreement between CLEC and SNET DG. Any use of the possessive in this Agreement as applied to SBC-AMERITECH and SNET will not indicate ownership but shall have the relationship described in this paragraph 1.2.
- 1.3 SBC Communications Inc. (SBC) means the holding company which owns the following ILECs: Illinois Bell Telephone Company, Indiana Bell Telephone Company Incorporated, Michigan Bell Telephone Company, Nevada Bell Telephone Company, The Ohio Bell Telephone Company, Pacific Bell Telephone Company, The Southern New England Telephone Company, Southwestern Bell Telephone Company and/or Wisconsin Bell, Inc. d/b/a Ameritech Wisconsin.
- 1.4 As used herein, SBC-13STATE means the applicable above listed ILECs doing business in Arkansas, California, Connecticut, Illinois, Indiana, Kansas, Michigan, Missouri, Nevada, Ohio, Oklahoma, Texas, and Wisconsin.
- 1.5 As used herein, SBC-12STATE means the applicable above listed ILECs doing business in Arkansas, California, Connecticut, Illinois, Indiana, Kansas, Michigan, Missouri, Ohio, Oklahoma, Texas, and Wisconsin.
- 1.6 As used herein, SBC-SWBT means the applicable above listed ILECs doing business in Arkansas, Kansas, Missouri, Oklahoma, and Texas.
- 1.7 As used herein, SBC-AMERITECH means the applicable above listed ILECs doing business in Illinois, Indiana, Michigan, Ohio, and Wisconsin.

- 1.8 As used herein, PACIFIC means the applicable above listed ILECs doing business in California.
- 1.9 As used herein, SNET means the applicable above listed ILECs doing business in Connecticut.

2. DEFINITIONS

- 2.1 “**Database (or Data Base)**” means an integrated collection of related data. In the case of LIDB and the CNAM Database, the database is the line number and related line information.
- 2.2 “**Account Owner**” means a telecommunications company, including SBC-13STATE that stores and/or administers Line Record Information and/or Group Record Information in a Party’s LIDB and/or Calling Name Database.
- 2.3 “**Personal Identification Number**” (PIN) means a confidential four-digit code number provided to a calling card customer to prevent unauthorized use of his/her calling card number. LIDB and/or the LIDB administrative system can store a PIN for those line numbers that have an associated calling card.
- 2.4 “**Query**” means a message that represents a request to a Database for information.
- 2.5 “**Query Rate**” means a per-query usage rate that applies to each Query received at an SBC-12STATE Database.
- 2.6 “**Query Transport Rate**” means a per-query usage rate that applies to certain Queries transported from an SBC-12STATE STP to the SCP where LIDB and/or the CNAM Database resides and back.
- 2.7 “**Response**” means a message that, when appropriately interpreted, represents an answer to a Query.

3. DESCRIPTION OF SERVICE

- 3.1 LIDB Service and/or CNAM Query provides CLEC with certain line information that CLEC may use to facilitate completion of calls or services. SBC-12STATE provides LIDB Service Validation and Originating Line Number Screening (OLNS) Queries pursuant to the terms and conditions specified in the following tariffs:
- 3.1.1 Tariff FCC No. 2 (applicable only to SBC-AMERITECH)
- 3.1.2 Tariff FCC No. 73 (applicable only to SBC-SWBT)

- 3.1.3 Tariff SNET Connecticut Access Tariff (applicable only to SNET)
- 3.1.4 Tariff FCC No. 128 (applicable only to PACIFIC)
- 3.2 SBC-12STATE will provide CLEC with access to SBC-12STATE's CNAM Database for CNAM Query except SBC-AMERITECH will provide access to its CNAM Database after May 17, 2000. CNAM Query allows CLEC to retrieve the name associated with a calling number for use in CLEC's Calling Name Delivery Service (CNDS).
- 3.3 All CLEC CNAM Queries to SBC-12STATE's CNAM Database shall use a translations type of 005 and a subsystem number in the calling party address field that is mutually agreed upon by the Parties. CLEC acknowledges that such subsystem number and translation type values are necessary for SBC-12STATE to properly process Queries to its CNAM Database.
- 3.4 CLEC acknowledges that CCS/SS7 network overload due to extraordinary volumes of Queries and/or other SS7 network messages can and will have a detrimental effect on the performance of SBC-12STATE's CCS/SS7 network. CLEC further agrees that SBC-12STATE, at its sole discretion, shall employ certain automatic and/or manual overload controls within SBC-12STATE's CCS/SS7 network to guard against these detrimental effects. SBC-12STATE will report to CLEC any instances where overload controls are invoked due to CLEC's CCS/SS7 network and CLEC agrees in such cases to take immediate corrective actions as are necessary to cure the conditions causing the overload situation.
- 3.5 Prior to SBC-12STATE initiating service under this Appendix, CLEC shall provide an initial forecast of busy hour Query volumes by LIDB Service Application, including CNAM Query. If, prior to the establishment of a mutually agreeable service effective date in writing, SBC-12STATE, at its sole discretion, determines that it lacks adequate processing capability to provide LIDB Service and/or CNAM Query to CLEC, SBC-12STATE shall notify CLEC of SBC-12STATE's intent not to provide the services under this Appendix and this Appendix will be void and have no further effect. Such termination will be without penalty to SBC-12STATE.
- 3.6 CLEC will update its busy hour forecast for each upcoming calendar year (January - December) by October 1 of the preceding year. CLEC shall provide such updates each year that this Appendix is in effect; provided, the obligation to provide updates shall not extend for longer than the first three (3) years this Appendix is in effect, if it is in effect that long or longer.

- 3.7 CLEC understands that access to SBC-12STATE's LIDB and/or CNAM Database may not provide CLEC with access to all of the data of all Account Owners in SBC-12STATE's LIDB and/or CNAM Database. When a region in SBC-12STATE implements LIDB Data Screening by Account Owner, certain Account Owners may choose to limit or restrict CLEC from accessing their data. CLEC understands that SBC-12STATE will comply with Account Owners' requests to so limit or restrict their data. Should CLEC desire access to any restricted Account Owner's LIDB Information, CLEC understands that any requests and negotiations for such access to the Account Owner's LIDB Information will be between CLEC and said Account Owner.
- 3.8 Account Owners are solely responsible for the accuracy and completeness of the Line Records they store in SBC-12STATE's LIDB and/or CNAM Database; accordingly SBC-12STATE is not responsible for the accuracy or completeness of those Line Records. CLEC will resolve any disputes regarding data accuracy with the appropriate Account Owner.
- 3.9 SBC-12STATE provides LIDB Service and/or CNAM Database as set forth in this Appendix only as such services are used for CLEC's activities on behalf of CLEC's local service customers where SBC-13STATE is the incumbent local exchange carrier. CLEC agrees that any use of SBC-12STATE's LIDB, for the provision of LIDB Service Applications and/or CNAM Query by CLEC outside of the area where SBC-13STATE is the incumbent local exchange carrier, will not be pursuant to the terms, conditions, rates, and charges of this Appendix or Agreement.

4. PRICE AND PAYMENT

- 4.1 CLEC will pay SBC-12STATE a per-Query rate for each Query initiated into SBC-12STATE's LIDB and/or CNAM Database. CLEC will also pay SBC-12STATE a per-Query Transport Rate for each Validation and OLNS Query initiated into SBC-12STATE's LIDB and for each CNAM Query initiated into SBC-SWBT's LIDB. These rates are set forth in Appendix Pricing.
- 4.2 CLEC will pay a Service Establishment Nonrecurring Charge for each point code CLEC requests to activate, change, rearrange, or modify for its LIDB Service and/or CNAM Query and is set forth in Appendix Pricing. This nonrecurring charge applies per point code.
- 4.3 CLEC will also pay a Service Order Nonrecurring Charge for each request for service order activity to establish, change, rearrange, or modify LIDB Service, LIDB Service Application, and/or CNAM Query in SBC-SWBT and SBC-AMERITECH. The Service Order Nonrecurring Charge is set forth in Appendix Pricing.

- 4.4 CLEC will make payment to SBC-12STATE for LIDB Service and/or CNAM Query based upon the rates set forth in Appendix Pricing. All tariffed rates associated with LIDB Services and/or CNAM Query provided hereunder are subject to change effective with any revisions of such tariffs.
- 4.5 Except as set forth in Section 4.11, SBC-12STATE will record usage information for CLEC's LIDB Service Queries and/or CNAM Queries terminating to SBC-12STATE's LIDB. SBC-12STATE will use its SCPs as the source of usage data.
- 4.6 If there is a dispute associated with a monthly bill, the disputing Party will notify the other in writing within ninety (90) calendar days of the date of said monthly bill or the dispute shall be waived. Each Party agrees that any amount of any monthly bill that that Party disputes will be paid by that Party as set forth in Section 8 of the General Terms and Conditions of this Agreement.
- 4.7 CLEC will notify SBC-12STATE when CLEC discontinues use of an OPC used to Query LIDB and/or CNAM Database.
- 4.8 SBC-12STATE will apply all applicable Nonrecurring Charges to changes in previously established OPCs (other than disconnects of OPCs) as set forth in Sections 4.2 and 4.3.
- 4.9 Both Parties understand and agree that when CLEC uses a single OPC to originate Queries to SBC-12STATE's LIDB and/or CNAM Database, neither Party can identify to the other, at the time the Query and/or Response takes place, when such Queries support CLEC's CLEC operations within SBC-12STATE's incumbent serving areas and when such Queries support other uses of CLEC's service platforms.
- 4.10 If CLEC operates in more than one (1) State in SBC-SWBT's or SBC-AMERITECH's incumbent region(s), SBC-SWBT and/or SBC-AMERITECH will apply company-level rates to the LIDB Services and/or CNAM Query provided to CLEC under this Agreement. SBC-SWBT and/or SBC-AMERITECH will develop these company-level rates based upon the rates established in the relevant States in their incumbent region(s) and an analysis of comparative usage of each state's LIDB and/or CNAM information.
- 4.11 The following applies only to PACIFIC:
- 4.11.1 Except as set forth in Sections 4.11.2 through 4.11.6, PACIFIC will record usage information for CLEC's LIDB Service Queries terminating to PACIFIC's LIDB. PACIFIC will use its SCPs as the source of usage data.

- 4.11.2 Until such time as PACIFIC has the usage recording ability set forth in Section 4.5 above, CLEC will provide PACIFIC with usage information from which PACIFIC will bill CLEC for both CLEC's access and CLEC's Query-originating carrier customers' access to PACIFIC's Calling Name Database and to PACIFIC's LIDB for OLNS Queries. CLEC will provide such information to PACIFIC on a monthly basis by a date agreed to by PACIFIC and CLEC. CLEC will deliver such information to locations specified by PACIFIC. If CLEC uses a third-party's network to access PACIFIC's Calling Name Database and/or PACIFIC's LIDB for OLNS Queries, and CLEC's third-party network provider can record and provide PACIFIC with recordings of CLEC's usage, PACIFIC will accept such usage provided that the requirements in this Section 4.11 will apply to CLEC's third-party network provider.
- 4.11.3 CLEC will provide to, or cause to be provided to, PACIFIC CNAM Query and/or OLNS Query usage information at no additional charge to PACIFIC. CLEC will either aggregate such usage by Originating Point Code or CLEC will provide PACIFIC with reports that identifies usage by Originating Point Code. CLEC and PACIFIC will agree upon the format and media type that CLEC will use to provide such usage data to PACIFIC. CLEC understands and agrees that PACIFIC cannot identify access by Account Owner until PACIFIC has the capability set forth in Section 4.5 above. When PACIFIC has the ability set forth in Section 4.5 above, PACIFIC will bill CLEC based upon PACIFIC's own usage recordings as set forth in Section 4.5 above.
- 4.11.4 PACIFIC will have the right to audit, at its expense, all source documents, systems, records, and procedures, to verify usage Information submitted by CLEC.
- 4.11.5 While the provisions in Section 4.11 are in effect, CLEC agrees that PACIFIC will bill CLEC for all CNAM Queries and/or OLNS Queries CLEC originate or transports to PACIFIC's network. CLEC will recover from its Query-originating carrier customers (if any) any charges associated with their access to PACIFIC's Calling Name Database or PACIFIC's LIDB for OLNS Queries, including such charges from PACIFIC. CLEC agrees that it will not bill its Query-originating carrier customers for any usage that CLEC has not reported to PACIFIC for billing. Once PACIFIC has the ability set forth in Section 4.5 above, PACIFIC and CLEC will jointly determine which, if any, of CLEC's Query-originating carrier customers will be direct-billed from PACIFIC as set forth in Section 4.5 above.

4.11.6 Based upon the data identified in Section 4.5 of this Appendix, PACIFIC will bill CLEC for its LIDB Service Queries on a monthly basis.

5. OWNERSHIP OF INFORMATION

- 5.1 Telecommunications companies depositing information in SBC-12STATE's LIDB and/or CNAM Database (i.e., Account Owners) retain full and complete ownership and control over such information. CLEC obtains no ownership interest by virtue of this Appendix.
- 5.2 Unless expressly authorized in writing by the Parties, CLEC will use LIDB Service and/or CNAM Query only for purposes described in this Appendix. CLEC may use LIDB Service and/or CNAM Query for such authorized purposes only on a call-by-call basis. CLEC may not store for future use any non-CLEC data that CLEC access from SBC-12STATE's LIDB. SBC-12STATE agrees that CLEC may use reports on LIDB usage and LIDB usage statistics and information similar to LIDB usage statistics to bill its carrier customers and to estimate CLEC's facilities usage needs, and for engineering, capacity, and network planning. CLEC agrees that SWBT SBC-12STATE may use statistics for the same purposes. CLEC may aggregate individual LIDB statistics regarding the number of CLEC's LIDB Queries and similar type of information during a specified time period, such as a month or a year. CLEC will only publish such statistics in aggregate form and will ensure that the all non-CLEC names are redacted and cannot reasonably be identified from the published materials.
- 5.3 Proprietary information residing in SBC-12STATE's LIDB and/or CNAM Database is protected from unauthorized access and CLEC may not store such information in any table or database for any reason. All information that is related to alternate billing service is proprietary. Examples of proprietary information are as follows:
- 5.3.1 Billed (Line/Regional Accounting Office (RAO)) Number
 - 5.3.2 PIN Number(s)
 - 5.3.3 Billed Number Screening (BNS) indicators
 - 5.3.4 Class of Service (also referred to as Service or Equipment)
 - 5.3.5 Reports on LIDB and CNAM Query usage
 - 5.3.6 Information related to billing for LIDB and CNAM Query usage
 - 5.3.7 LIDB and CNAM Query usage statistics

- 5.4 CLEC will not copy, store, maintain, or create any table or database of any kind based upon information received in a Response from SBC-12STATE's LIDB and/or CNAM Database.
- 5.5 If CLEC acts on behalf of other carriers, CLEC will prohibit its Query-originating carrier customers from copying, storing, maintaining, or creating any table or database of any kind based upon information they receive in a Response from SBC-12STATE's LIDB and/or CNAM Database.

6. TERM AND TERMINATION

- 6.1 This Appendix shall remain in effect unless the Interconnection Agreement is terminated (in which event this Appendix is automatically terminated simultaneously) or this Appendix is terminated separately from the Interconnection Agreement as a whole by either Party upon written notice given ninety (90) days in advance of the termination date.
- 6.2 If a Party materially fails to perform its obligations under this Appendix, the other Party, after notifying the non-performing Party of the failure to perform and allowing that Party thirty (30) days after receipt of the notice to cure such failure, may cancel this Appendix upon written notice.
- 6.3 Notwithstanding anything to the contrary in this Appendix, if legal or regulatory decisions or rules compel SBC-12STATE or CLEC to terminate the Appendix, SBC-12STATE and CLEC shall have no liability to the other in connection with such termination.

7. LIMITATION OF LIABILITY

- 7.1 Party's sole and exclusive remedy against the other Party for injury, loss or damage caused by or arising from anything said, omitted or done in connection with this Appendix regardless of the form of action, whether in contract or in tort (including negligence or strict liability) shall be the amount of actual direct damages and in no event shall exceed the amount paid for LIDB Service if the damages are related to LIDB service and the amount paid for LIDB Service if damages are related to LIDB service.
- 7.2 The remedies as set forth above in this Appendix shall be the exclusive remedy against a Party, its affiliates, subsidiaries or parent corporation, (including their directors, officers, employees or agents).
- 7.3 In no event shall SBC-12STATE have any liability for system outage or inaccessibility, or for losses arising from the unauthorized use of the data by LIDB Service and/or CNAM Query purchasers.

- 7.4 SBC-12STATE is furnishing access to its LIDB and/or CNAM Database to facilitate CLEC's provision of services to its End Users, but not to insure against the risk of non-completion of any call. While SBC-12STATE agrees to make every reasonable attempt to provide accurate LIDB and/or CNAM Database information, the Parties acknowledge that Line Record information is the product of routine business service order activity and/or fraud investigations. CLEC acknowledges that SBC-12STATE can furnish Line Record information only as accurate and current as the information has been provided to SBC-12STATE for inclusion in its LIDB and/or CNAM Database. Therefore, SBC-12STATE, in addition to the limitations of liability set forth, is not liable for inaccuracies in Line Record information provided to CLEC or to CLEC's Query originating carrier customers except for such inaccuracies caused by SBC-12STATE's willful misconduct or gross negligence.
- 7.5 LIABILITY PROVISIONS APPLICABLE TO CALLING NAME INFORMATION SERVICE:
- 7.5.1 CALLING NAME INFORMATION PROVIDED TO CLEC BY SBC-12STATE HEREUNDER SHALL BE PROVIDED "AS IS". SBC-12STATE MAKES NO WARRANTY, EXPRESS OR IMPLIED, REGARDING THE ACCURACY OR COMPLETENESS OF THE CALLING NAME INFORMATION REGARDLESS OF WHOSE CALLING NAME INFORMATION IS PROVIDED. AND, SBC-12STATE IN ADDITION TO ANY OTHER LIMITATIONS OF LIABILITY SET FORTH IN THIS AGREEMENT, SHALL NOT BE HELD LIABLE FOR ANY LIABILITY, CLAIMS, DAMAGES OR ACTIONS INCLUDING ATTORNEYS' FEES, RESULTING DIRECTLY OR INDIRECTLY FROM ACTS OR OMISSIONS IN CONNECTION WITH CLEC'S OR CLEC'S END USERS' USE OF THE CALLING NAME INFORMATION.
- 7.6 CLEC acknowledges that SBC-12STATE's Calling Name Database limits the Calling Name Information length to fifteen (15) characters. As a result, the Calling Name Information provided in a Response to a Query may not reflect a subscriber's full name. Name records of residential local telephone subscribers will generally be stored in the form of last name followed by first name (separated by a comma or space) to a maximum of fifteen (15) characters. Name records of business local telephone subscribers will generally be stored in the form of the first fifteen (15) characters of the listed business name that in some cases may include abbreviations. CLEC also acknowledges that certain local telephone service subscribers may require their name information to be restricted, altered, or rendered unavailable. Therefore, SBC-12STATE, in addition to any other limitations of liability set forth in this Agreement, is not liable for any liability, claims, damages or actions including attorney's fees, resulting directly or

indirectly from the content of any Calling Name Information contained in SBC-12STATE's Calling Name Database and provided to CLEC or CLEC's query-originating carrier customers, except for such content related claims, damages, or actions resulting from SBC-12STATE's willful misconduct or gross negligence.

- 7.7 CLEC acknowledges that certain federal and/or state regulations require that local exchange telephone companies make available to their subscribers the ability to block the delivery of their telephone number and/or name information to the terminating telephone when the subscriber originates a telephone call. This blocking can either be on a call-by-call basis or on an every call basis. Similarly, a party utilizing blocking services can unblock on a call-by-call or every call basis.
- 7.8 CLEC acknowledges its responsibility to, and agrees that it will abide by, the blocking/unblocking information it receives in SS7 protocol during call set-up. CLEC agrees not to attempt to obtain the caller's name information by originating a Query to SBC-12STATE's Calling Name Database when call set-up information indicates that the caller has requested blocking of the delivery of his or her name and/or number. CLEC also agrees not to block delivery of Calling Name Information on calls from blocked lines when the caller has requested unblocking. Therefore, SBC-12STATE, in addition to the limitations of liability set forth in this Section 7, is not liable for any failure by CLEC or CLEC's Query-originating carrier customers to abide by the caller's desire to block or unblock delivery of Calling Name Information, and CLEC agrees, in addition to any other indemnity obligations set forth in this Agreement, to hold SBC-12STATE harmless from and defend and indemnify SBC-12STATE for any and all liability, claims, damages, actions, costs losses, or expenses, including attorney's fees, resulting directly or indirectly from CLEC's or CLEC's Query-originating carrier customers' failure to block or unblock delivery of the Calling Name Information when appropriate indication is provided, except for such privacy-related claims, damages or actions caused by SBC-12STATE's willful misconduct or gross negligence.

8. COMMUNICATION AND NOTICES

- 8.1 Ordering and billing inquiries for the services described herein from SBC-12STATE shall be directed to the Local Service Center (LSC).

9. CONFIDENTIALITY

- 9.1 The Parties' Proprietary Information is subject to the terms and conditions of Section 20 of the General Terms and Conditions in this Agreement.

10. MUTUALITY

10.1 CLEC agrees to make its Line Record Information available to SBC-12STATE. Should CLEC store its Line Record information in a database other than SBC-12STATE's, CLEC will make such Information available to SBC-12STATE through an industry standard technical interface and on terms and conditions set forth by applicable tariff or by a separate agreement between SBC-12STATE and the database provider. SBC-12STATE agrees to negotiate in good faith to reach such an agreement. If SBC-12STATE is unable to reach such agreement, chooses not to enter into an agreement with such a database provider, or chooses to discontinue using the services of such database provider, CLEC acknowledges that such CLEC Line Record information will be unavailable to any customer, including any CLEC's customer, that is served by SBC-12STATE's service platforms (e.g., Operator Service Systems, Signaling Transfer Points, and/or switches).

11. APPLICABILITY OF OTHER RATES, TERMS AND CONDITIONS

11.1 Every interconnection, service and network element provided hereunder, shall be subject to all rates, terms and conditions contained in this Agreement which are legitimately related to such interconnection, service or network element. Without limiting the general applicability of the foregoing, the following terms and conditions of the General Terms and Conditions are specifically agreed by the Parties to be legitimately related to, and to be applicable to, each interconnection, service and network element provided hereunder: definitions, interpretation, construction and severability; notice of changes; general responsibilities of the Parties; effective date, term and termination; fraud; deposits; billing and payment of charges; non-payment and procedures for disconnection; dispute resolution; audits; disclaimer of representations and warranties; limitation of liability; indemnification; remedies; intellectual property; publicity and use of trademarks or service marks; no license; confidentiality; intervening law; governing law; regulatory approval; changes in End User local exchange service provider selection; compliance and certification; law enforcement; no third party beneficiaries; disclaimer of agency; relationship of the Parties/independent contractor; subcontracting; assignment; responsibility for environmental contamination; force majeure; taxes; non-waiver; network maintenance and management; signaling; transmission of traffic to third parties; customer inquiries; expenses; conflicts of interest; survival; scope of agreement; amendments and modifications; and entire agreement.
