Re: Transport and Termination of local telecommunications traffic between  
MH Telecom, Inc., and Wisconsin RSA No. 8 Limited Partnership  
Our File: 9207.45946

Dear Mr. Burzych:

By this letter, MH Telecom, Inc. ("MH Telecom"), a local exchange carrier in Wisconsin, requests Wisconsin RSA No. 8 Limited Partnership, a commercial mobile radio service provider in Wisconsin, and Wisconsin RSA No. 8 Limited Partnership requests MH Telecom to provide transport and termination of local telecommunications traffic on the parties' respective telecommunications networks. The parties agree that the originating party will be responsible for all costs in transporting the traffic to the other party's network, that neither party will bill the other party for transport and termination of traffic and that the traffic exchanged between the parties will be treated as bill and keep, until such time as either party requests negotiation of a reciprocal compensation agreement pursuant to sections 251 and 252 of the Telecommunications Act of 1996, on terms other than bill and keep.

Please confirm your acceptance and agreement by signing and returning the enclosed duplicate original of this letter.

If you have any questions concerning this matter, please feel free to contact me.

Very truly yours,
