1 Pursuant to Section 252(I) of the Federal Telecommunications Act of 1996, Requesting Carrier and Ameritech Wisconsin entered into an agreement, portions of which are based upon the same terms and conditions contained in the Ameritech Wisconsin and AT&T Communications of Wisconsin, Inc. interconnection agreement for the State of Wisconsin and other portion(s) of which were voluntarily negotiated. Since this Agreement is a sectional adoption of an existing approved Interconnection Agreement, the term "Effective Date" throughout the Agreement (excluding the title page and Section 21.1) shall mean ten (10) calendar days after the Commission approves this Agreement under Section 252(e) of the Act or, absent such Commission approval, the date this Agreement is deemed approved under Section 252(e)(4) of the Act. The change in "Effective Date" within the Agreement is only intended so that the Parties may meet the operation obligations of the Agreement and in no way is intended to extend the Agreement beyond the termination date of the adopted Agreement. The term "Effective Date" for purposes of Section 29.3 entitled "Amendment or Other Changes to the Act; Reservation of Rights" shall mean the 9th day of July, 2002.
