In Re: *Approval of the Wireless Interconnection and Reciprocal Compensation Agreement Negotiated by Wood County Telephone Company and NPCR, Inc. d/b/a Nextel Partners, Pursuant to Section 251(b)(5) of the Telecommunications Act of 1996*

PETITION FOR APPROVAL OF THE WIRELESS INTERCONNECTION AND RECIPROCAL COMPENSATION AGREEMENT NEGOTIATED BY WOOD COUNTY TELEPHONE COMPANY AND NPCR, INC. d/b/a NEXTEL PARTNERS PURSUANT TO SECTION 251(b)(5) OF THE TELECOMMUNICATIONS ACT OF 1996

Wood County Telephone Company ("Wood County") respectfully files this request with the Public Service Commission of Wisconsin for approval of the attached Wireless Interconnection and Reciprocal Compensation Agreement (the "Agreement"). The Agreement was negotiated between Wood County and NPCR, Inc. d/b/a Nextel Partners ("Nextel Partners") pursuant to Section 251(b)(5) of the Telecommunications Act of 1996 ("the Act"). The Agreement provides for the continued interconnection of the two companies' networks, thereby facilitating Nextel Partners' provision of commercial mobile radio services ("CMRS") to customers in Wisconsin. Wood County, therefore, respectfully requests that the Commission act within the 90 days specified by the Act and approve the Agreement.

In support of its request, Wood County states the following:

THE PARTIES

1. Wood County is an incumbent local exchange carrier authorized to provide local exchange service in Wisconsin.

2. Nextel Partners is a telecommunications carrier that has been granted authority by the Federal Communications Commission to provide CMRS in a specific market in Wisconsin.

THE AGREEMENT

3. Wood County and Nextel Partners have successfully negotiated the Agreement for the continued interconnection of their networks. A copy of the Agreement is attached hereto and incorporated herein by reference.

4. Wood County and Nextel Partners have entered into this Agreement, pursuant to Section 251(b)(5) of the Act.

5. Pursuant to Section 252(e) of the Act, Wood County is submitting the Agreement to the Public Service Commission of Wisconsin for its consideration and approval.

COMPLIANCE WITH THE ACT

6. First, as required by Section 252(e)(2)(a)(i) of the Act, the Agreement does not discriminate against any other telecommunications carrier.

7. Second, the Agreement is consistent with the public interest, convenience, and necessity, as required by Section 252(e)(2)(a) (ii) of the Act.

APPROVAL OF THE AGREEMENT

8. In accordance with Section 252(e) of the Act, the Public Service Commission of Wisconsin is charged with approving or rejecting the Agreement between Wood County and Nextel Partners within 90 days of its submission. The Act provides that the Public Service Commission of Wisconsin may reject such Agreement only if it finds that the Agreement or any portion thereof discriminates against a telecommunications carrier not a party to the Agreement, or if it finds that the implementation of the Agreement or any portion thereof is not consistent with the public interest, convenience and necessity.

9. Wood County and Nextel Partners aver that the Agreement is consistent with the standards for approval.

10. Pursuant to Section 252(i) of the Act, once the Agreement is approved, Wood County will make the terms and conditions of the Agreement available to any similarly situated CMRS provider.

11. Wood County respectfully requests that the Public Service Commission of Wisconsin approve the Agreement negotiated between the parties without revision as expeditiously as possible consistent with the public interest.

This 13th day of November, 2002.

Respectfully submitted,

2.0 INTERPRETATION AND CONSTRUCTION

All references to Sections, Exhibits and Schedules shall be deemed to be references to Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offering, guide or practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

3.0 SCOPE

3.1 This Agreement is intended, inter alia, to describe and enable specific Interconnection and Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein.

3.2 This Agreement sets forth the terms, conditions, and rates under which the Parties agree to interconnect the CMRS network of Nextel Partners and the LEC network of Wood County for purposes of exchanging Local Service Area traffic, provided that the service provided by Nextel Partners to its customer is a two-way Mobile Service as defined in 47 U.S.C. §153(27). Wood County and Nextel Partners do not agree whether Mobile Service, as defined in 47 U.S.C. §153(27), includes the provision of fixed wireless services and therefore disagree on the regulatory treatment applicable to exchange of such traffic. Nextel Partners does not currently provide fixed wireless services in Wood County's Local Service Area. Nextel Partners agrees that it will provide Wood County prior notice of its intent to launch fixed wireless services in Wood County's Local Service Area. Upon Wood County's receipt of such notice, the Parties agree to negotiate an appropriate agreement or an Amendment to this Agreement, which will address the exchange of such traffic.

3.3 Nextel Partners represents that it is a CMRS provider of telecommunications services to subscribers in MTA No. 20 (Milwaukee). Nextel Partners' NPA/NXXs are listed in Telcordia's Local Exchange Routing Guide ("LERG") for Operating Company Number ("OCN") 4822 in the state of Wisconsin.

3.4 The Parties agree that all Local Service Area traffic shall be exchanged via the facilities described in Section 4.1 or provided for in Section 4.2. In the event of catastrophic situations (i.e., a failure in the network), other facilities may be used by the Parties to exchange Local Service Area traffic under this Agreement, including limited third party LEC networks between the Parties.

3.5 This Agreement is limited to Wood County end user customers' traffic for which Wood County has tariff authority to carry. Wood County's NPA/NXX(s) are listed in the LERG under OCN 0974. This Agreement does not cover Nextel Partners one way mobile traffic, sometimes called paging service.

3.6 Traffic that is exchanged through an interexchange carrier (IXC) is not covered under this Agreement.

4.0 SERVICE AGREEMENT

Description of Arrangements. This Agreement provides for the following interconnection and arrangements between the networks of Wood County and Nextel Partners. Additional arrangements that may be agreed to in the future will be delineated in Attachment A to this Agreement. Type 2B interconnection and arrangements are based on existing and future rate center designation of Nextel Partners' NPA/NXX(s), rate centered at the Wisconsin Rapids exchange, as listed in the LERG. Routing of traffic shall be as described in this Section, except that, alternatives may be employed in the event of emergency or temporary equipment failure.

4.1 Type 2B Interconnection at Wisconsin Rapids: A two-way trunk group is provisioned between Wood County's Wisconsin Rapids Host Office Switch (WRPDWIXADSO) and Nextel Partners' point of presence in the Wisconsin Rapids exchange, with the point of interconnection designated at Wood County's Wisconsin Rapids Host Office Switch. This trunk group is provisioned in connection with Nextel Partners' NPA/NXX(s) rate centered at the Wisconsin Rapids exchange. Applicable tariff charges for establishing and provisioning this trunk group are billed by Wood County to Nextel Partners according to Section 5.4.4.

A. Landline to Wireless:

Local Service Area calls from Wood County customers shall be routed from Wood County's Wisconsin Rapids Host Office Switch to Nextel Partners via the two-way direct trunk group.

The Parties agree that the exchange of traffic on Wood County's extended area calling service (EAS) routes shall be considered Local Telecommunications Traffic and compensation for the Termination of such traffic shall be paid pursuant to the terms of this Agreement. An NXX assigned to Nextel Partners shall be included in any EAS calling scope or similar program to the same extent as any other NXX in the same rate center. EAS routes are those exchanges within a telephone exchange's local calling area, as defined in Wood County's general subscriber tariff.

B. Wireless to Landline:

Calls originated on Nextel Partners' network within MTA #20 to Wood County's customers shall be routed from Nextel Partners' network via the two-way direct trunk group to Wood County's Wisconsin Rapids Host Office Switch for termination by Wood County to its customers, as appropriate.

- 4.2 Indirect Traffic to Wood County: To the extent that Nextel Partners and Ameritech, or Nextel Partners and another LEC, have entered into or may enter into contractual arrangements for the delivery of Nextel Partners traffic to Wood County for termination to Wood County's customers (i.e., traffic that is not covered elsewhere in this Agreement and Wood County is not being compensated for this traffic by the transiting LEC), Wood County will accept this traffic subject to the compensation arrangements as outlined in Section 5 below.
- 4.3 Transit Traffic: The Parties acknowledge and agree that this Agreement is intended to govern the exchange of traffic to and from the Parties' respective networks only. Traffic originated by a Party and delivered to the other Party for termination to the network of a non-party Telecommunications Carrier ("Non-Party Carrier") may be delivered to a Non-Party Carrier. If a Non-Party Carrier objects to the delivery of such traffic, then either Party to this Agreement may request direction from the Commission, FCC, Wisconsin state courts or federal courts. The transiting Party will continue to perform transiting functions for the other Party pending ruling from the Commission, FCC, Wisconsin state courts or federal courts. The Party performing such transiting function will bill the other Party the transiting charge, as specified in Section 5.3 below. In order for Non-Party Carrier to bill the other Party for charges it is obligated to pay the Non-Party Carrier, the Party performing the transiting function must provide total minutes of transiting traffic terminating to the Non-Party Carrier. Nextel Partners shall not perform a transiting function pursuant to this Agreement.
- 4.4 Network Managers: Nothing in this Agreement shall prohibit Nextel Partners from enlarging its CMRS network through management contracts with third-parties for the construction and operation of a CMRS system under the Nextel Partners brand name and license. Traffic traversing such extended networks shall be deemed to be and treated under this Agreement as "Nextel Partners telecommunications traffic" when it originates on such extended network and terminates on Wood County's network, and as "Wood County telecommunications traffic" when it originates upon Wood County's network and terminates upon such extended network. Telecommunications traffic traversing on such extended networks shall be subject to the terms, conditions, and rates of this Agreement.
- 5.1 Traffic Subject to Reciprocal Compensation.

Reciprocal compensation is applicable for Transport and Termination of Local Telecommunications Traffic as defined in Section 1.14 and is related to the exchange of traffic described in Section 4.1, 4.2, and in Attachment A, as applicable. For the purposes of billing compensation for Local Telecommunications Traffic, billed minutes will be based upon actual usage recorded, with the exception of traffic described in Section 4.2, where records/reports provided by the transiting carrier shall be the basis for billing.

Measured usage begins when the terminating recording switch receives answer supervision from the called end-user and ends when the terminating recording switch receives or sends disconnect (release message) supervision, whichever occurs first. The measured usage is aggregated at the end of the measurement cycle and rounded to a whole minute. Billing for Local Telecommunications Traffic shall be based on the aggregated measured usage less traffic recorded as local that is Non-Local Telecommunications Traffic.

Both Parties agree that the only compensation for Local Telecommunications Traffic subject to this Agreement will be in the form of the reciprocal services provided by the other Party, for the term of this Agreement. The Parties' agreement to eliminate a Reciprocal Compensation rate per minute carries with it the precondition that Nextel Partners has agreed to waive the land-to-mobile apportionment of the recurring charges for interconnection facilities as described in Section 5.4.4 hereof. As such, the two points have been negotiated as one interrelated term containing specific rates and conditions which are non-separable for purposes of Section 17, hereof.

5.2 Traffic Subject to Switched Access Compensation.

Parties agree that traffic rated and recorded as Local Telecommunications Traffic, may originate or terminate in another MTA, and therefore Non-Local Telecommunications Traffic and subject to Switched Access Compensation.

Switched access compensation is applicable to all Non-Local Telecommunications Traffic exchanged between Wood County and Nextel Partners, over the direct trunk group as described in Section 4.1 or indirectly as described in Section 4.2, and Attachment A, as applicable. Nextel Partners shall compensate Wood County at Wood County's interstate Switched Access rates for all such Non-Local Telecommunications Traffic.

5.3 Traffic Subject to Transit Compensation.

Transit Compensation is applicable to the traffic originated on Nextel Partner's network and is routed to Wood County over the two-way direct trunk group for delivery to a Non-Party telecommunications carrier as described in Section 4.3 above.

The rate for Transiting Compensation shall be \$ 0.007 per minute.

5.4 Calculation of Payments and Billing.

5.4.1 Nextel Partners will compensate Wood County for Non-Local Traffic exchanged between Nextel Partners & Wood County, as prescribed and at the

rates provided in Section 5.2; and for Transit traffic as prescribed and at the rate provided in Section 5.3, above.

5.4.2. Wood County shall prepare a monthly billing statement to Nextel Partners, which will separately reflect the calculation of Switched Access Compensation, Transit Compensation, and total compensation due Wood County.

5.4.3 Recognizing that Wood County has no way of measuring the Non-Local Telecommunications Traffic, in the event that Nextel Partners does not track the usage information required to identify the Non-Local Telecommunications Traffic originated or terminated by Wood County, both Parties agree to use a default factor of 0% as an estimate of Non-Local Telecommunications Traffic. The actual recorded usage shall be the basis for billing, when available and verifiable.

5.4.4 Where interconnection facilities are used for two-way traffic exchange between the Parties, the recurring charges are apportioned among the users pursuant to U.S.C. 47 § 51.507(c). The recurring tariff charges for such facilities billed by Wood County to Nextel Partners shall be reduced by the agreed upon land to mobile percentage. For the purposes of this agreement, Nextel Partners agrees to waive its land-to-mobile apportionment for the term of this Agreement. Moreover, the Parties acknowledge and agree that Nextel Partners has waived the land-to-mobile apportionment of the shared Trunk Group facilities set forth in Section 4.1 hereof for the term of this Agreement in exchange for a bill and keep arrangement as described in Section 5.1 above, and that such arrangement shall be and shall be deemed to be one self-contained term under this Agreement.

5.4.5 Each party may request to inspect, during normal business hours, the records which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed 12 months in age from the date the monthly bill containing said record information was issued.

6.0 NOTICE OF CHANGES

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety- (90) days advance written notice of such change to the other Party.

7.0 GENERAL RESPONSIBILITIES OF THE PARTIES

7.1 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting and, consistent with Section 5, measuring

and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in a mutually acceptable format, and to terminate the traffic it receives in that mutually acceptable format to the proper address on its network. All interconnection facilities will be at a DS1 level, multiple DS1 level, or DS3 level and will conform to industry standards. All two-way trunk facilities will be engineered to a P.01 grade of service. (The technical reference for DS1 facilities is Telcordia TR-NWT-000499. The technical reference for trunking facilities is Telcordia TR-NPL-000145.)

7.2 The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan. Neither Party shall use any service related to or use any of the Services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.

7.3 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.

7.4 Each Party is responsible for administering NXX codes assigned to it.

7.5 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of the Common Language Location Identifier ("CLLI") assigned to its switches.

7.6 Each Party shall use the LERG published by Telcordia or its successor for obtaining routing information and shall provide all required information to Telcordia for maintaining the LERG in a timely manner.

7.7 SS7 connectivity is required on both Parties' networks for Type 2 trunks, where it is technically feasible. SS7 connectivity will be provided in accordance with the technical specifications of accepted industry practice and standards.

8.0 TERM AND TERMINATION

8.1 Subject to the provisions of Sections 8.4 and 15, the initial term of this Agreement shall be for one-year term ("Term") which shall commence on the Effective Date. This Agreement shall continue in force and effect thereafter, on a month to month basis, until replaced by another agreement or terminated by either Party upon (thirty) 30 days' written notice to the other.

8.2 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:

8.2.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within sixty (60) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment of the disputed amount is required, whether for the original full amount or for the settlement amount, the Non-paying Party shall pay the full disputed or settlement amounts with interest at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under Wisconsin's applicable law. In addition, the Billing Party may initiate a complaint proceeding with the appropriate regulatory or judicial entity, if unpaid undisputed amounts become more than 90 days past due, provided the Billing Party gives an additional 30 days notice and opportunity to cure the default.

8.2.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under Wisconsin's applicable law.

8.2.3 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.

8.3 Upon termination or expiration of this Agreement in accordance with this Section:

- (a) Each Party shall comply immediately with its obligations as set forth above;
- (b) Each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement;
- (c) Each Party's indemnification obligations shall survive termination or expiration of this Agreement.

8.4 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not implement mutually acceptable steps to remedy such alleged default within thirty (30) days after receipt of written notice thereof.

9.0 CANCELLATION CHARGES

Except as provided herein, no cancellation charges shall apply.

10.0 NON-SEVERABILITY

10.1 The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable.

11.0 INDEMNIFICATION

(1) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;

(2) claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and

(3) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Neither Party shall accept terms of a settlement that involves or references the other Party in any matter without the other Party's approval.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in Section 12.3).

11.2 The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

(1) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.

(2) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

(3) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

(4) Neither Party shall accept the terms of a settlement that involves or references the other Party in any matter without the other Party's approval.

12.3 Except as otherwise provided in Section 11.0, no Party shall have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages.

13. DISCLAIMER

EXCEPT AS OTHERWISE PROVIDED HEREIN, NEITHER PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR INTENDED OR PARTICULAR PURPOSE WITH RESPECT TO SERVICES PROVIDED HEREUNDER. ADDITIONALLY, NEITHER PARTY ASSUMES ANY RESPONSIBILITY WITH REGARD TO THE CORRECTNESS OF DATA OR INFORMATION SUPPLIED BY THE OTHER PARTY WHEN THIS DATA OR INFORMATION IS ACCESSED AND USED BY A THIRD-PARTY.

14.0 DISPUTE RESOLUTION

Except as provided under Section 252 of the Act with respect to the approval of this Agreement by the State Commission, the Parties desire to resolve disputes arising out of or relating to this Agreement without litigation. Accordingly, except for action seeking a temporary restraining order or an injunction related to the purposes of this Agreement, or suit to compel compliance with this dispute resolution process, the Parties agree to use the following dispute resolution procedures with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

14.1 Informal Resolution of Disputes

At the written request of a Party, each Party will appoint a knowledgeable, responsible representative, empowered to resolve such dispute, to meet and negotiate in good faith to resolve any dispute arising out of or relating to this Agreement. The Parties intend that these negotiations be conducted by non-lawyer, business representatives. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for purposes of these negotiations shall be treated as Confidential Information developed for purposes of settlement, exempt from discovery, and shall not be admissible in the arbitration described below or in any lawsuit without the concurrence of all Parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and may, if otherwise discoverable, be discovered or otherwise admissible, be admitted in evidence, in the arbitration or lawsuit.

14.2 Formal Dispute Resolution

If negotiations fail to produce an agreeable resolution within ninety (90) days, then either Party may proceed with any remedy available to it pursuant to law, equity or agency mechanisms; provided, that upon mutual agreement of the Parties such disputes may also be submitted to binding arbitration. In the case of an arbitration, each Party shall bear its

own costs. The Parties shall equally split the fees of any mutually agreed upon arbitration procedure and the associated arbitrator.

14.3 Continuous Service

The Parties shall continue providing services to each other during the pendency of any dispute resolution procedure, and the Parties shall continue to perform their payment obligations (including making payments in accordance with this Agreement.)

15.0 REGULATORY APPROVAL

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under Section 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

16.0 PENDING JUDICIAL APPEALS AND REGULATORY RECONSIDERATION

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Except as provided in this paragraph, neither Party may assign or transfer (whether by operation of law or otherwise) this Agreement (or any rights or obligations hereunder) to a third party without the prior written consent of the other Party which consent will not be unreasonably withheld; provided that either Party may assign this Agreement to a corporate Affiliate or an entity under its common control or an entity acquiring all or substantially all of its assets or equity by providing prior written notice to the other Party of such assignment or transfer.
