This Amendment (the "Amendment") amends the Cellular/PCS Agreement by and between Illinois Bell Telephone Company d/b/a AT&T Illinois, Indiana Bell Telephone Company Incorporated d/b/a AT&T Indiana, Michigan Bell Telephone Company d/b/a AT&T Michigan, Nevada Bell Telephone Company d/b/a AT&T Nevada, The Ohio Bell Telephone Company d/b/a AT&T Ohio, Pacific Bell Telephone Company d/b/a AT&T California, The Southern New England Telephone Company d/b/a AT&T Connecticut, Southwestern Bell Telephone Company d/b/a AT&T Arkansas, AT&T Kansas, AT&T Missouri, AT&T Oklahoma and/or AT&T Texas, Wisconsin Bell, Inc. d/b/a AT&T Wisconsin hereinafter referred to as "AT&T-13STATE" and New Cingular Wireless PCS, LLC ("WSP" or "Carrier"). AT&T and Carrier are hereinafter referred to collectively as the "Parties" and individually as a "Party".

WHEREAS, the Parties, or their predecessors in interest, previously entered into an Interconnection Agreement (the "Agreement"), pursuant to 47 U.S.C. 251/252; and

WHEREAS, pursuant to the Report and Order and Further Notice of Proposed Rulemaking issued by the Federal Communications Commission ("FCC") on November 18, 2011 (FCC 11-161), and as amended by the FCC on December 23, 2011 (FCC 11-189), the FCC provided that bill-and-keep shall be the default compensation arrangement between the Parties for the exchange of all Intra-MTA traffic, and when requested before July 1, 2012, shall become effective July 1, 2012, and that this is to be considered a change of law; and

WHEREAS AT&T Mobility elects to apply a bill-and-keep arrangement to all Intra-MTA traffic between the Parties; and

WHEREAS, the Parties desire to amend the Agreement to provide for a bill-and-keep arrangement, for the exchange of all Intra-MTA traffic between them, such bill-and-keep arrangement to become effective July 1, 2012;

### **AGREEMENT**

NOW THEREFORE, in consideration of the premises and the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

#### **Amendment Terms**

1. The Parties agree to include the following definition of IntraMTA Traffic:

"IntraMTA Traffic" means traffic which, at the beginning of the call, originates and terminates within the same MTA and is exchanged between the customer, also referred to as "Customer", "End User", "end user" and "end user customer" of AT&T and WSP's (Carrier's) customer, also referred to as "Customer", "End User", "end user" and "end user customer". All references to local traffic, Section 251(b)(5) Calls, Section 251(b)(5) Calls traffic, Section 251(b)(5) Calls Traffic and/or Section 251(b)(5) Traffic in the Agreement are hereby replaced by the term "IntraMTA Traffic".

2. From July 1, 2012, forward, all IntraMTA traffic exchanged between the Parties over Type 2A, Type 2B or Type 1 Interconnection trunks and facilities shall be exchanged pursuant to a bill-and-keep arrangement, which means that neither Party shall charge the other for the transport and termination of the other Party's traffic.
3. In accordance with the schedule in FCC Order 11-161, effective July 1, 2012, for terminating intrastate or interstate InterMTA Traffic, i.e. non-IntraMTA Traffic, Carrier shall pay a blended rate that consists of the average of AT&T's intrastate and interstate rates for the switched network access service rate elements, on a per minute of use basis, which are set forth in each, AT&T's Intrastate Access Services Tariff, and Interstate Access Services Tariff, as those tariffs may be amended from time to time. This provision does not apply to transit traffic.
4. The Parties agree to remove the Terminating IntraLATA InterMTA Rate and to replace the rates for transport and termination (Set-up per call; Duration per Conversation MOU) for Type 2A, Type 1 and Type 2B in Appendix Pricing (Cellular/PCS) of the Agreement with the rates contained in Exhibit A attached hereto. IntraMTA Traffic will continue to be referenced as Section 251(b)(5) Calls Transport and Termination in Exhibit A. In all other respects the Appendix – Pricing (Cellular PCS) shall remain the same.
5. The Parties agree that the terms and conditions of this Agreement shall apply only to CMRS traffic that, at the beginning of the call, originates from or terminates to a wireless handset via the Carrier.
6. There shall be no retroactive application of any provision of this Amendment prior to the Effective Date of an adopting Carrier's agreement.

7. In entering into this Amendment, neither Party waives, and each Party expressly reserves, any rights, remedies or arguments it may have at law, or under the intervening law, or regulatory change provisions, in the underlying Agreement (including intervening law rights asserted by either Party via written notice predating this Amendment) with respect to any orders, decisions, legislation or proceedings and any remands thereof, which the Parties have not yet fully incorporated into this Agreement or which may be the subject of further review.
8. This Amendment shall not modify or extend the Effective Date or Term of the underlying Agreement but rather, shall be coterminous with such Agreement
9. This Amendment shall be effective July 1, 2012.
10. This Amendment shall remain effective as long as the Agreement remains effective between the Parties.
11. The provisions of this Amendment, including the provisions of this sentence, may not be amended, modified or supplemented without the written consent thereto by both Parties' authorized representatives.
12. Except as expressly set forth herein, all other terms and conditions of the Agreement shall remain in full force and effect without change.
