Public Service Commission of Wisconsin
RECEIVED: 09/14/12, 4:56:43 AM

September 10, 2012

Ms. Sandra Paske
Secretary to the Commission
Public Service Commission of Wisconsin
PO Box 7854
Madison, Wisconsin 53707-7854

Re: Application for the Approval of Amendment #1 to the Interconnection Agreement for the Transport and Termination of Telecommunications Traffic (“Amendment”) Between LaValle Telephone Cooperative and Verizon Wireless. (“VERIZON WIRELESS”).

Dear Ms. Paske:

I am filing this letter and signed Amendment electronically on behalf of LaValle Telephone Cooperative (“LaValle”).

LaValle hereby requests approval pursuant to 47 USC 252, of the enclosed Amendment #1 to the Interconnection Agreement for the Transport and Termination of Telecommunications Traffic between LaValle and VERIZON WIRELESS. LaValle has been authorized by VERIZON WIRELESS to submit this Amendment to the Public Service Commission of Wisconsin (“PSCW”) for approval.

I hereby certify that a copy of this filing has been served on VERIZON WIRELESS via U. S. mail at the following address:

Lance D. Murphy
Verizon Wireless - MTS
24242 Northwestern Hwy
Southfield, MI 48075

If there are any questions regarding the filing of this Amendment, please contact me at 608-829-0271.

Sincerely,

Michael L. Theis President
Theis Communications Consulting, LLC.

CC: Lance D. Murphy- Verizon Wireless - MTS
CC: Brad Welp – LaValle Telephone Cooperative

**AMENDMENT #1 TO THE INTERCONNECTION AGREEMENT FOR THE
TRANSPORT AND TERMINATION OF TELECOMMUNICATIONS TRAFFIC**

This Interconnection Agreement Amendment #1 for the Transport and Termination of Telecommunications Traffic ("Amendment") is effective as of the 1st of July 2012 (the "Effective Date"), by and between LaValle Telephone Cooperative, ("LAVALLE"), a Wisconsin corporation with its principal office at 108 West Main Street, PO Box 28, LaValle, Wisconsin 53941 and the Verizon Wireless entities listed on the signature page of this Amendment ("VERIZON WIRELESS"), each with its principal office at One Verizon Way, Basking Ridge, NJ 07920. LAVALLE and VERIZON WIRELESS are referred to herein individually as "Party" and collectively as the "Parties".

RECITALS

WHEREAS, the Parties, or their predecessors in interest, previously entered into an Interconnection Agreement, pursuant to 47 U.S.C. 251/252 dated June 1, 2004, that was approved by the Public Service Commission of Wisconsin ("Commission") as an effective agreement in the State of Wisconsin Docket No. 05-TI-1099 on September 22, 2004 ("Agreement"); and

WHEREAS, the Federal Communications Commission, in an order released November 18, 2011, has provided that bill-and-keep shall be the default compensation arrangement between the Parties for the exchange of Intra-MTA traffic, confirmed that the Commercial Mobile Radio Service ("CMRS") provider is responsible for all transport costs to a meet point within the Local Exchange Carrier ("LEC") exchange boundary, and that these are to be considered a change of law; and

WHEREAS VERIZON WIRELESS elects to apply such arrangements to Intra-MTA traffic between the Parties; and

WHEREAS, the Agreement contains a "change of law" provision that authorizes the Parties to amend the Agreement to comport with a change in law; and

WHEREAS, the Parties desire to amend the Agreement to provide for such arrangements for the exchange of all Intra-MTA traffic between them, to become effective July 1, 2012;

AMENDMENT #1

NOW THEREFORE, in consideration of the premises and the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

By signing this Amendment #1 below both Parties agree to the following:

1. In applying Amendment #1 the following names shall be substituted in the Agreement "VERIZON WIRELESS" shall be substituted for "ALLTEL".
2. Section 1.41 shall be replaced as follows:
 - 1.41 "Subject Traffic" is the Telecommunications Traffic that the Parties mutually agree to exchange pursuant to the terms and conditions of Reciprocal Compensation set forth in this Agreement. For the purposes of this Agreement, Telecommunications Traffic handed off to and compensated by an Interexchange Carrier is not Subject Traffic.
3. Section 3.3 shall be replaced as follows:
 - 3.3 VERIZON WIRELESS represents that it is a CMRS provider of Telecommunications service to subscribers in MTA No. 20 (Milwaukee), and serves end users with an Operating Company Number (OCN) of 6508 in the state of Wisconsin.
4. Section 4.3 shall be replaced as follows:
 - 4.3 Type-2B Interconnection. Type-2B involves Trunk side connection to a LAVALLE End Office Switch. Type-2B facilities provide the capability to access only subscribers served by that End Office Switch or any LAVALLE remote subtending that End Office Switch, as applicable. A two-way Trunk group may be provisioned between the LAVALLE LaValle, Wisconsin End Office Switch and VERIZON WIRELESS with the Point of Interconnection designated, as provided in Appendix A Section I. Applicable tariff charges for establishing and provisioning this Trunk group are billed to VERIZON WIRELESS, pursuant to Section 5.2 and Appendix A of this Agreement.
 - 4.3.1 Landline to Wireless
 - 4.3.1.1 In the event that LAVALLE and VERIZON WIRELESS establish a Type-2B direct Interconnection, LAVALLE will treat as Subject Traffic all Telecommunications Traffic originated on its network by a LAVALLE end user which is

routed to a VERIZON WIRELESS NPA-NXX's identified in the LERG as associated with the VERIZON WIRELESS MSC to which the Type-2B Interconnection is connected (except to the extent that the Parties agree to apply the InterMTA Traffic Factor, as set forth in Appendix B), subject to applicable tariffs.

4.3.1.2 LAVALLE shall route the Subject Traffic that originates on its network to VERIZON WIRELESS by delivering such Subject Traffic to the POI identified in Appendix A.

4.3.1.3 VERIZON WIRELESS NPA-NXX's are identified in the LERG. Calls originating on LAVALLE network and addressed to VERIZON WIRELESS NPA-NXXs will be rated by LAVALLE in the same way as other calls addressed to NPA-NXXs maintained by other landline carriers with the same rate points.

4.3.2 Wireless to Landline:

4.3.2.1 In the event that LAVALLE and VERIZON WIRELESS establish a Type-2B direct Interconnection, VERIZON WIRELESS shall route the Subject Traffic that originates on its network to LAVALLE by delivering Subject Traffic to the POI identified in Appendix A.

4.3.2.2 VERIZON WIRELESS shall treat as Subject Traffic all Telecommunications Traffic originated on its network by an VERIZON WIRELESS end user that is routed for a LAVALLE NPA-NXX associated with the LAVALLE End Office Switch (except to the extent that the Parties agree to apply the InterMTA Traffic Factor as set forth in Appendix B.)

4.3.2.3 A list of LAVALLE NPA-NXXs, which are rated within the LAVALLE exchange boundary are identified in the LERG.

4.3.3 Delivery of Traffic. Except to the extent precluded by nondiscrimination and/or dialing parity principles, or as otherwise noted above, the designation of Rate Center V&H coordinates associated with network numbers assigned to VERIZON WIRELESS's end users shall not affect or determine:(i) the services offered by LAVALLE or VERIZON WIRELESS, (ii) the services provided to end users by either Party; (iii) the rate structure applied to

services provided to end users by either Party; or (iv) the rates charged to end users by either Party for the services either Party provides to its end users. The designation of Rate Center V&H coordinates for the NPA-NXX numbers assigned to mobile CMRS end users shall not create legal or regulatory obligations for either Party that do not otherwise exist. LAVALLE will provide dialing parity to VERIZON WIRELESS's NPA-NXX's in LAVALLES Mandatory Local Calling Scope, in accordance with the requirements of Section 251(b)(3) of the Act.

5. Section 4.4 shall be replaced as follows:

4.4 Indirect Interconnection: VERIZON WIRELESS shall deliver Subject Traffic to the Richland-Grant Telephone Cooperative, Inc.'s Blue River Tandem Switch for delivery as Transiting Traffic to all LAVALLE End Office Switches. This Subject Traffic will be subject to the compensation arrangements as provided in Appendix B II. To the extent that either Party and a third party service provider have entered into or may enter into arrangements for the transport of Subject Traffic to or from LAVALLE (i.e., traffic that is not covered elsewhere in this Agreement) each Party will accept this traffic subject to the compensation arrangements as provided in Appendix B.

4.4.1 Landline to Wireless:

Subject Traffic from LAVALLE end users shall be routed from the LAVALLE End Office Switch to VERIZON WIRELESS via a third party service provider, with an arrangement with LAVALLE for Transiting Traffic.

4.4.2 Wireless to Landline:

Subject Traffic originated on VERIZON WIRELESS's network within MTA #20 (Milwaukee) to LAVALLE end users shall be routed from the VERIZON WIRELESS network via the third party service provider for termination by LAVALLE to its end users, as appropriate.

4.4.3 Delivery of Traffic:

Except to the extent precluded by nondiscrimination and/or dialing parity principles, or as otherwise noted above, the designation of Rate Center V&H coordinates associated with network numbers assigned to VERIZON WIRELESS's end users shall not affect or determine: (i) the services offered by LAVALLE or VERIZON WIRELESS, (ii) the services provided to end users by either Party; (iii) the rate structure

applied to services provided to end users by either Party; or (iv) the rates charged to end users by either Party for the services either Party provides to its end users. The designation of Rate Center V&H coordinates for the NPA-NXX numbers assigned to mobile CMRS end users shall not create legal or regulatory obligations for either Party that do not otherwise exist. LAVALLE will provide dialing parity to VERIZON WIRELESS's NPA-NXX's in LAVALLE's Mandatory Local Calling Scope, in accordance with the requirements of Section 251 (b)(3) of the Act.

The VERIZON WIRELESS NPA-NXXs are identified in the LERG. Calls originating on LAVALLE network and addressed to VERIZON WIRELESS NXXs will be rated by LAVALLE in the same way as other calls addressed to NXXs maintained by other landline carriers with the same rate points.

4.4.4 If the traffic volumes between VERIZON WIRELESS and LAVALLE delivered by the third party service provider meet the centum call seconds equivalent of one DS-1 (i.e. 500 busy hour centum call seconds or 240,000 minutes per month), for three consecutive months, the Parties shall within sixty (60) days meet to review the establishment of direct end office trunk groups, as provided in Section 4.3.

6. Section 4.5.2 shall be replaced as follows:

4.5.2 If the traffic volumes between VERIZON WIRELESS and LAVALLE meet the centum call seconds equivalent of one DS-1 (i.e. 500 busy hour centum call seconds of 240,000 minutes per month), for three consecutive months, the Parties shall within sixty (60) days meet to review the establishment of additional direct trunks.

7. Section 8.1 shall be replaced as follows:

8.1 The term of this Agreement, as amended, shall be two years from the Effective Date July 1, 2012 through June 30, 2014 and shall then automatically renew on a month to month basis. The Agreement may be terminated by either Party at the end of the initial term or any renewal term by providing written notice of termination to the other Party sixty (60) days prior to the end of the initial term or any renewal term. In the event such notice of termination is provided and either Party requests in good faith to renegotiate a successor agreement under the provisions of the Act, this Agreement shall remain in effect (i) until this Agreement has been replaced by a new agreement, or (ii) for up to one hundred eighty (180) calendar days following the date of termination, whichever is earlier.

8. Section 15.9 shall be replaced as follows:

15.9 Notices. Notices given by one Party to the other Party under this Agreement shall be in writing and shall be (i) delivered personally, (ii) delivered by express delivery service, (iii) mailed, certified mail or first class U.S. mail postage prepaid, return receipt requested or (iv) delivered by telecopy to the following addresses of the Parties:

Appendix A Interconnection Facilities

I. Direct Interconnection Facilities

- a. VERIZON WIRELESS may arrange for and maintain the following final two-way Interconnection Facilities between LAVALLE in LaValle, WI and the VERIZON WIRELESS Network ("Interconnection Facilities").
- b. Point of Interconnection- Type-2B For the exchange of Subject Traffic and InterMTA Traffic in accordance with this Agreement, the Parties may agree to connect twenty-four (24) Trunks using one (1) DS 1. The Type-2B Interconnection Facilities between the LAVALLE End Office Switch and the VERIZON WIRELESS network shall have a POI at the LAVALLE Mid Span Meet located at the V and H coordinates: V 5842 & H 3942.

II. Indirect Interconnection Facilities

- a. As of the Effective Date of this Agreement, LAVALLE and VERIZON WIRELESS may exchange traffic indirectly utilizing the Transiting Traffic services of a third party, as provided in Section 4.4 of this Agreement, subject to the compensation as provided in Appendix B.
- b. Point of Interconnection – Unless a different POI is mutually agreed to by the Parties, the POI for an indirect Interconnection facility via a third party between LAVALLE and VERIZON WIRELESS shall be at the LAVALLE Mid Span Meet located at the V and H coordinates: V 5842 & H 3942.

III. Dedicated Facilities and Services

Per Applicable LAVALLE Interstate Access Tariff on file with the FCC.

IV. Shared Facility Factor

The following Shared Facility Factors will apply to the Interconnection Facilities in Section I.a and I.b of this Appendix A.

Mobile to Landline Telecommunications Traffic	50.0%
Landline to Mobile Telecommunications Traffic	50.0%

Appendix B

Rates and Charges

This Appendix specifies the rates for the Transport and Termination of Subject Traffic and InterMTA Traffic delivered by one Party to the network of the other Party and the charges for other services pursuant to the Agreement as follows:

I. Charges for Transport and Termination of Subject Traffic via Direct Interconnection.

- a. Combined Transport and Termination Rate (per terminating minute of use) \$0.00
- b. This rate is reciprocal and symmetrical for Subject Traffic exchanged between LAVALLE and VERIZON WIRELESS and applies for all Subject Traffic exchanged via the Direct Interconnection Facilities between the Parties pursuant to Section 4.3 of this Agreement, except as described in Section IV below.

II. Charges for Transport and Termination of Subject Traffic via Indirect Interconnection

- a. Combined Transport and Termination Rate (per terminating minute of use) \$0.00
- b. This rate is reciprocal and symmetrical for Subject Traffic exchanged between LAVALLE and VERIZON WIRELESS and applies for all Subject Traffic exchanged pursuant to Section 4.4 of this Agreement, except as described in Section IV below.
- c. In accordance with the Interim Transport Rule (*See In the matter of Connect America Fund, et al., Report and Order and Further Notice of Proposed Rule Making*, WC Docket 10-90, FCC 11-161 (Released November 18, 2011) at ¶¶ 998-999), VERIZON WIRELESS will be financially responsible for Transport from the POI as described in Appendix A, Section II(b) to its network. This arrangement will be subject to renegotiation if/when the FCC issues final rules regarding the default point at which financial responsibility for the exchange of traffic shifts from the originating carrier to the terminating carrier.
- d. VERIZON WIRELESS will be responsible for the Transiting Traffic charges for all Subject Traffic transited by Richland-Grant Telephone Cooperative, Inc. VERIZON WIRELESS will be responsible for any other third party indirect Interconnection charges for the Transport of Telecommunications Traffic that LAVALLE is not legally obligated to pay.

III. Intentionally Left Blank

IV. InterMTA Traffic Factors

The Parties agree to apply an InterMTA Traffic Factor to terminated minutes of use as an estimate of the net InterMTA Traffic being exchanged. The Parties have agreed upon the InterMTA Factors specified below as representative of the share of Subject Traffic exchanged that is exempt from Transport and Termination charges and is subject to InterMTA Rates. The Parties have developed an initial factor representative of the share of Telecommunications Traffic exchanged that is exempt from Transport and Termination charges. The InterMTA Factor will be multiplied by the total mobile-to-land terminated traffic minutes recorded each month by the LAVALLE End Office Switches to determine those minutes to which the InterMTA Rate applies.

a. Mobile-to-Land Traffic

Subject Traffic		95.0%
InterMTA Traffic Factor		5.0%
Intrastate	100.0%	
Interstate	0.0%	

b. Land-to-Mobile Traffic

Subject Traffic		100.0%
InterMTA Traffic Factor		0.0%

e. InterMTA Rate (per terminating minute of use)

Per Applicable LAVALLE Switched Access Tariff

V. Charges for Access Transport, Access Termination and Access End Office Switching for Exchange Access Service

LAVALLE Access Tariffs in the proper jurisdiction apply.
