PSC Holds Hearing on Calpine Power Plant Proposal

MADISON – The Public Service Commission announced the hearing date and location on the proposal by Calpine Corporation to construct a 523 MW natural gas fired power plant in the town of Fond du Lac. Calpine also proposes to construct associated transmission and water facilities. Calpine

The Public Hearing will be held as follows:

Date: Tuesday, January 28, 2003
Time: 1:30 p.m. and 6:00 p.m.
Location: Fond du Lac Town Hall
5990 Pioneer Road, Fond du Lac

The Commission is interested in the public's input and asks that people take the opportunity to attend the hearing and express their opinions regarding this proposal. Those with concerns about the project are strongly encouraged to attend the public hearing. By law, the Commission must base its decisions about the project on the record that is developed during the hearing. Interests or concerns expressed outside of the hearing or after the hearing is closed cannot be used by the Commissioners to make their decision.

Following the public hearing, Commission decision on the project is anticipated in spring. The applicant also must obtain permits from several other state and federal agencies.
