**Task Force on Global Warming  
to Discuss and Vote on Final Recommendations**

MADISON – On Thursday, June 26, members of Governor Jim Doyle’s Task Force on Global Warming will meet in Sun Prairie to continue their efforts to address global warming. The Task Force, comprised of a variety of environmental, industry and utility leaders as well as representatives from the DNR and PSC and other stakeholders, has undertaken Governor Doyle’s mission to examine the solutions to global warming in Wisconsin. The June 26 meeting is a continuation of a series of meetings the Task Force is hosting and **the public and media are encouraged to attend.**

The meeting will primarily focus on emission reduction goals, a continued discussion of outstanding issues on which consensus has not yet been reached and a vote on final recommendations. Please join the Task Force meeting, which is scheduled for:

**Thursday, June 26, 2008  
9:00 a.m. to 2:00 p.m.  
Wisconsin Public Power, Inc.  
Main Conference Room  
1425 Corporate Center Drive  
Sun Prairie, Wisconsin**
