We Energies Public Hearing Rescheduled

MADISON – The Public Service Commission of Wisconsin (PSC) has rescheduled a 2nd public hearing for Wednesday, October 21 in Milwaukee on We Energies' (Wisconsin Electric Power Company (WEPCO) and Wisconsin Gas, LLC) request to adjust electric, steam and natural gas rates.

Administrative Law Judge Michael Newmark will be present to receive comments from the public at the hearing site in Serb Hall, Wisconsin South Hall, 5101 West Oklahoma Avenue in Milwaukee beginning at 3 p.m. and 6 p.m.

When a utility requests a change in rates, the PSC conducts a thorough audit of the utility's expenses and revenues. The agency will look at the amount We Energies needs to provide a reliable source of energy to customers, which includes costs of fuel, maintenance, new construction and environmental protection.

Public comments on We Energies' application will be included in the record the Commission will review to make a decision. The PSC has the authority to approve, deny or modify the application.

Citizens are encouraged to attend. The hearing location is accessible to people in wheelchairs. Anyone requiring accommodations to participate should contact the PSC at 608-266-5481.

Documents associated with We Energies' application can be viewed on the PSC's Electronic Regulatory Filing System at <http://psc.wi.gov/>. Type case numbers 5-UR-104 in the boxes provided on the PSC homepage, or click on the Electronic Regulatory Filing System button.
