Target Reductions and Nuclear Power to be Discussed

MADISON – On Thursday, May 1, members of Governor Jim Doyle’s Task Force on Global Warming will meet in Sun Prairie to continue their efforts to address global warming. The Task Force, comprised of environmental, industry and utility leaders as well as representatives from the DNR and PSC and other stakeholders, has undertaken Governor Doyle’s mission to examine the solutions to global warming in Wisconsin. The May 1 meeting is a continuation of a series of meetings the Task Force is hosting and **the public and media are encouraged to attend.**

Presentations will primarily focus on emission reduction targets, transportation, utility policies, including a discussion of nuclear power. Please join the Task Force meeting, which is scheduled for:

Thursday, May 1, 2008
9:00 a.m. to 2:30 p.m.
Wisconsin Public Power, Inc.
Main Conference Room
1425 Corporate Center Drive
Sun Prairie, Wisconsin
