Media Advisory – Invitation

**Task Force on Global Warming
to Discuss Modeling Results, Reduction Targets**

MADISON – On Tuesday, June 10, members of Governor Jim Doyle’s Task Force on Global Warming will meet in Sun Prairie to continue their efforts to address global warming. The Task Force, comprised of a variety of environmental, industry and utility leaders as well as representatives from the DNR and PSC and other stakeholders, has undertaken Governor Doyle’s mission to examine the solutions to global warming in Wisconsin. The June 10 meeting is a continuation of a series of meetings the Task Force is hosting and **the public and media are encouraged to attend.**

The meeting will primarily focus on final modeling results, reduction targets and a continued discussion of outstanding issues on which consensus has not yet been reached. Please join the Task Force meeting, which is scheduled for:
