Draft Environmental Impact Statement on the North Appleton to Morgan Project Available to Public

[Madison, Wis.] - On September 30, 2014, the Public Service Commission of Wisconsin and the Wisconsin Department of Natural Resources jointly issued a draft environmental impact statement (EIS) for a transmission line project proposed by American Transmission Company. This project is known as the North Appleton to Morgan Project (Bay Lake Project), [PSC docket 137-CE-166](#).

Copies of the draft EIS have been mailed to members of the public who have previously requested them, and to government agencies and municipalities within the project area. Copies were also provided to project-area public libraries. A digital (pdf format) copy of the draft EIS may be downloaded directly from the PSC's website at <http://psc.wi.gov>, or interested parties may request a digital copy on DVD. The PSC also has a limited number of hard copies available for those lacking access to a computer. Requests for the draft EIS may be made by emailing PSCBayLakeProject@wisconsin.gov, or by contacting the Docket Coordinator, Cindy Burtley, at the Public Service Commission, P.O. Box 7854, Madison, WI 53707-7854, (608) 267-6718, cindy.burtley@wisconsin.gov.

The Commission is now accepting comments on the draft EIS. Comments will be accepted through Monday November 17, 2014. Instructions regarding how to file comments on the draft EIS are included on the "To the Reader" page of the draft EIS. Comments on the draft EIS should focus on the scope and accuracy of the document. Send comments on the draft EIS to PSCBayLakeProject@wisconsin.gov, or by contacting the EIS Coordinator, Kenneth Rineer, at the Public Service Commission, P.O. Box 7854, Madison, WI 53707-7854, (608) 267-1201, kenneth.rineer@wisconsin.gov.
