Alternative Telecommunications Utility --
Other Telecommunications Provider

To

Public Service Commission of Wisconsin

Mailing Address:	P.O. Box 7854 Madison, WI 53707-7854
Home Page:	http://psc.wi.gov

This form is required under Wis. Stat. § 196.07. Failure to file the form by the statutory filing date can result in the imposition of a penalty under Wis. Stat. § 196.66. The penalty which can be imposed by this section of the statutes is a forfeiture of not less than \$25 nor more than \$5,000 for each violation. Each day subsequent to the filing date constitutes a separate and distinct violation. The filed form is available to the public and personally identifiable information may be used for purposes other than those related to public utility regulation.

RULES FOR REPORTING

1. The annual report due date is April 1 of the following year. (Example: The 2009 report is due April 1, 2010.) If that date falls on a weekend or holiday, the annual report is due the following business day.
2. **Electronic filing via e-mail is required unless additional provisional confidential treatment is desired.** Go to the Public Service Commission of Wisconsin's Web Page at <http://psc.wi.gov> and click on the appropriate program for Alternative Telecommunications Utility - Other Telecommunications Providers (OTH). If additional confidential treatment is desired, see the Commission's Web Page for filing instructions using the Electronic Regulatory Filing (ERF) system.
3. Alternative Telecommunications Utility-Other Telecommunications Provider (ATU-Other) entities with no revenues for the report year are required to file an OTH annual report; however, such entities may instead qualify for the Web No Activity in Wisconsin OTH annual report.
4. Unless otherwise indicated, the information requested in this report should be taken from the accounts and other records of the utility. A query or response concerning information contained in this report regarding any practice or transaction should not be construed as indicating conformity to pertinent regulations.
5. Please follow all instructions and answer each question fully and accurately. Provide additional information as necessary to avoid misunderstandings or misleading responses.
6. Wherever information is requested in a "note," please show that information in the space provided, or make reference to the adjacent page or insert where the note may be found. Please also identify each note. Limited footnote capability is included in the annual report software program. Please use it where necessary to fully explain particulars in the annual report.
7. Numeric items are limited to digits (0-9). Do not type commas when entering numbers. A minus sign "-" should be entered in the software program to indicate negative values. The program will convert the minus sign to parentheses if a hard copy of the annual report is printed. Negative values may not be allowed for certain entries in the annual report due to restrictions contained in the software program.
8. Report all dollar amounts to the nearest thousand dollars. (Example: \$130,000 should be reported as \$130.)
9. This annual report should be complete in all respects. Unless otherwise authorized, avoid references to returns of former years or to other reports.
10. Where part or all of the report is prepared by other than utility personnel, a disclosure is required in the "Individual or firm, if other than utility employee, preparing this report" portion of the Identification and Ownership schedule, which describes the nature and extent of work performed.
11. The OTH annual report program incorporates provisional confidentiality capability for selected items. These items vary from year to year and are based on the Commission's decision regarding confidential items in the annual report.

If additional provisional confidential treatment is desired, do not file the annual report electronically using the program's e-mail filing capabilities.

12. It is not necessary to manually or electronically "sign" the signature page. Do not file a hardcopy annual report printout with the Commission.

RULES FOR REPORTING

13. **Edit Check, Confidential Listing, Exported Annual Report, and Export Status Files; Filing the Completed Report:**

Program edit checks, which are located under the Admin dropdown menu, should be run at the completion of data entry. Each edit problem lists pertinent schedule(s) as well as the nature of the problem (such as "does not equal"). Edit items should be reviewed and corrected; unresolved problems should be footnoted in the report, if necessary. This screen automatically saves the edit checks to an .edt file that may be viewed and edited (for purposes of adding necessary notations) using a word processing package such as WordPad.

The confidential listing, which is located under the Admin dropdown menu, should also be run at the completion of data entry. This will create a .clf file.

Select the annual report to export from the Main-Report Selection window. Click Admin, Export Data to PSC to start the export process. This will create an .mdb file, which will subsequently be encrypted to a file with an .sen extension. An export status file is also created (with a .txt extension). The export status file may also be viewed in a word processing package such as WordPad. If you encounter any export errors, please contact the Commission for assistance.

The .edt, .clf, .sen, and .txt files will be zipped to a file with a .zip extension. An e-mail message will be created, addressed to pscrecs@psc.state.wi.us. The .zip file is automatically attached to the e-mail message. After the e-mail is created, it will automatically be sent to the Commission.

Once received and processed by the Commission, you will receive a response indicating that your annual report has been received and is being processed. You will be notified if there are any problems with the annual report filing.

14. **Name Changes:**

If a name change (e.g., the new name, the date of the change, and the affected entities with their respective four-digit Commission identification numbers) is identified in the report, documents from the State of Wisconsin Department of Financial Institutions (DFI) also must be submitted to the Commission:

A domestic corporation should send a copy of the stamped page from its Articles of Amendment as filed with DFI. A foreign corporation should send a copy of their Amended Certificate of Authority as issued by DFI.

These documents can be obtained by:

1. Calling DFI at (608) 261-7577;
2. Contacting DFI on the web at <http://wdfi.org>; or
3. By writing to DFI at P.O. Box 7846, Madison, WI 53707-7846.

A name change is not effective in the Commission's records until a separate notification letter is sent to the Commission including documentation to confirm registration of that change with the State of Wisconsin Department of Financial Institutions.

15. **Changes to the Annual Report Subsequent to Filing:**

If making revisions to the report subsequent to an electronic filing (i.e., using the program's e-mail capabilities) with the Commission, resubmit the report via e-mail following the procedures set forth above in item number 13. New edit check, confidential listing, exported annual report, and export status files should be created as a result of the revisions.

RULES FOR REPORTING

Revisions to an annual report previously filed on a manual basis (i.e., using the Commission's ERF system) also require a new complete manual filing.

16. Municipalities authorized by the Commission as competitive local exchange carriers (CLECs) should report only the CLEC-related amounts in the OTH annual report.

TOTAL COMPANY BALANCE SHEET - NOTES**Other information concerning the total company balance sheet.**

On November 18, 2004 the Company emerged from Chapter 11. We worked with our auditors to determine and record the "fresh start entries" needed to value our assets and liabilities as of our emergence from bankruptcy. These adjustments were carried forward to our 12/31/04 balance sheet and income statement. This process had not been completed when the Company filed its 2004 annual report on May 27, 2005; therefore, some of the items on our balance sheet and related income statement were estimated for the May filing. We are now filing an amended 2004 annual report.

Total long term debt reflects advances from affiliate of \$22,570 (from Choice One Communications Inc.).

Total Assessable Revenues for Remainder and Telephone Relay Assessment Purposes	34,479 7

Assessable Revenues for Universal Service Fund Assessment Purposes

Wisconsin Gross Intrastate Operating Telecommunications Service Revenue	23,154 8
---	----------

Notes

"Gross Operating Revenues--Wisconsin" are revenues before consideration of uncollectible revenues. These revenues include revenues from inbound interstate 800 and collect calls billed to customers in Wisconsin.

"Outbound interstate revenues" are service operations revenues received from communications originating at points within Wisconsin and terminating at points outside the state.

"Inbound interstate revenues" are service operations revenues received from communications originating at points outside the State of Wisconsin and terminating at points within the state.

(NOT TO BE EXCLUDED HERE ARE INBOUND INTERSTATE 800 AND COLLECT REVENUES BILLED TO CUSTOMERS IN WISCONSIN).

"Gross" means revenue before consideration of uncollectible amounts. Access expenses may not be netted against assessable revenues.

"Intrastate" means telecommunications service originating and terminating within the State of Wisconsin. Intrastate revenue does not include interstate access revenue.

"Operating" means provision of telecommunications services.

"Telecommunications service revenue" for the purpose of this assessment does not include cable television service, broadcast service, rents, directory revenue, carrier billing and collection revenue, nonregulated customer premises equipment revenue, or other miscellaneous or nonregulated revenue. However, it does include video distance learning revenue and payphone revenue (the latter which was deregulated in 1997).

OTHER INFORMATION

Additional or other information concerning this annual report.

Central Office Data Schedule Notes (page 19):

Green Bay and Appleton line counts are identical because service can be provided to either area from either switch; counts provided in this report represent an even split between the two.
