1999 Analytical Review DWCCA-2410-PJL

Dear Ms. Pleshek:

The Public Service Commission has completed their analytical review of your 1999 annual report. The primary purpose of our analytical review is to detect possible accounting related errors and to identify significant fluctuations from prior year's data, which are not sufficiently explained in the footnotes of your annual report. We have no questions, only the following comment.

In the Balance Sheet End-of-Year Account Balances schedule on page F-18, special assessments of \$1,235 are reported in Account 143, Other Accounts Receivable. In the future, please note that assessments which will be collected over a period of more than one year should be reported in Account 124.

You may consider your review closed. Thank you for your efforts in preparing your 1999 annual report. If you have any questions, please feel free to contact me at (608) 267-9198 or e-mail me at leegep@psc.state.wi.us.

Sincerely,

Peter J. Leege
