1999 Analytical Review DWCCA-4775-PJL

Dear Mr. Robbins:

The Public Service Commission (Commission) is in the process of completing an analytical review of your utility's 1999 annual report. The purposes of an analytical review are to detect possible reporting or accounting related errors and to identify significant fluctuations from established trends in reported data not sufficiently explained in the annual report. It is our hope that our review will supply information that will enable us to better provide guidance to your utility regarding proper utility accounting and the preparation of future annual reports. In order to complete this review, we request the following information:

1. During our review of the Water Operating Revenues - Sales of Water schedule on page W-2, we noted that the utility's revenues were reported as unmetered on lines one and two. Please correct your records by moving those numbers to lines four and five which are for metered sales, and follow this procedure in the future.
2. During our review, we noted that while the utility reports in the footnotes of the Bonds schedule on page F-13 of the 1998 annual report that all outstanding bonds and debt were paid off during 1997, there are still Water & Mort. Rev. Bonds reported as issued on 8/1/1977 reported on page F-13 of the 1999 report. Please explain.

We appreciate your cooperation in providing the above information. These recommendations are intended to provide accounting assistance and should not be construed as criticisms of utility personnel. If you have any questions, please feel free to contact me at (608) 267-9198. Please respond within 30 days of this letter. If it is convenient for you to respond by e-mail, please do so. My e-mail address is leegep@psc.state.wi.us. If we have no questions regarding your response, you can consider the review closed.

Sincerely,

Peter J. Leege  
Financial Specialist  
Division of Water, Compliance, and Consumer Affairs

THE FOLLOWING REPORT RECEIVED BY E-MAIL ON 9/29/00.

Mr. Leege:

## FINANCIAL SECTION FOOTNOTES

---

Mr. Robbins of Portland Sanitary District has asked us to respond to your letter regarding the 1999 annual report.

We have changed the utility's water revenue to the metered section of the report.

Regarding the Mortgage Revenue Bonds, these were paid off during 1997. The 1999 report shows the bonds with zero principal balance, but they should have not have been listed at all. We have removed the listing from the report, so this will not happen again in future.

Should you have any further questions, please let us know.

Thank you for your assistance.
