1999 Analytical Review DWCCA-5450-ELE

Dear Mr. Popp:

The Public Service Commission has completed their analytical review of your 1999 annual report. The primary purpose of our analytical review is to detect possible accounting related errors and to identify significant fluctuations from prior year's data, which are not sufficiently explained in the footnotes of your annual report. We have no questions, only the following comment.

We noted that \$215,823 is reported in Account 233, Payables to Municipality, Page F-18, described as "balance from prior years." Amounts reported in Account 233 should be for the current year only. Amounts held longer than one year should be reclassified to Account 223, Advances from Municipality. If amounts are not to be repaid, they should be written off to Account 216, Unappropriated Earned Surplus.

You may consider your review closed. Thank you for your efforts in preparing your 1999 annual report. If you have any questions, please feel free to contact me at (608) 266-3768 or e-mail me at engele@psc.state.wi.us.

Sincerely,

Elaine Engelke
Financial Specialist
Division of Water, Compliance, and Consumer Affairs
