RETURN ON RATE BASE COMPUTATION

1. The data used in calculating rate base are averages.
2. Calculate those averages by summing the first-of-year and the end-of-year figures for each account and then dividing the sum by two.
3. Note: Do not include property held for future use or construction work in progress with utility plant in service. These are not rate base components.

Bridgeport Sanitary District - Water

We have compiled the accompanying Public Service Commission Report of the Bridgeport Sanitary District for the year ended December 31, 2002, in accordance with standards established by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of the utility. We have not audited or reviewed the accompanying report and, accordingly, do not express an opinion or any other form of assurance on it.

The Sanitary District has elected to omit other financial statements and disclosures required by generally accepted accounting principles. If these omissions were included, they might influence the user's conclusions about the utility's financial position, results of operations, and cash flows. Accordingly, this report is not designed for those who are not informed about such matters.

WATER OPERATING REVENUES - SALES OF WATER

1. Where customer meters record cubic feet, multiply by 7.48 to obtain number of gallons.
2. Report estimated gallons for unmetered sales.
3. Sales to multiple dwelling buildings through a single meter serving 3 or more family units should be classified commercial.
4. Account 460, Unmetered Sales to General Customers - Gallons of Water Sold should not include in any way quantity of water, i.e. metered, or measured by tank or pool volume. The quantity should be estimated based on size of pipe, flow, foot of frontage, etc. Bulk water sales should be Account 460 if the quantity is estimated and should be Account 461 if metered or measured by volume. Water related to construction should be a measured sale of water (either Account 461 or Account 464).
5. Other accounts: see application Help files for details.
