

TABLE 5A

WATERWAY AND WETLAND REVIEW FEES FOR OVERHEAD TRANSMISSION LINE PROJECTS

(11/8/2007)

Approval	Activity	Fee
Wetland Water Quality certification (under s. 281.36, NR 103, NR 299)	Fill or structures in wetlands	Lesser of \$500 per wetland OR \$1000 per county
Chapter 30 permit (by General Permit under s. 30.123 and NR 320)	Clearspan Bridge	\$50 for each bridge
Chapter 30 permit (by Individual Permit under s. 30.123 and NR 320)	Non clearspan bridge	\$500 each
Chapter 30 permit (by General Permit under s. 30.12 and NR 328)	Bank stabilization	\$50 per waterway
Chapter 30 permit (by Individual Permit under s. 30.12 and NR 328)	Bank stabilization	\$500 per waterway

NOTE:

For the sake of time and simplification, a waterway should be considered navigable (and thus under Chapter 30 jurisdiction) if it is present on the USGS 1:24000 Topographic Quadrangle Map. WDNR staff may conduct navigability determinations when necessary.
