62	Bloomer Telephone Company (Bloomer School District)	This project will build a fiber to the premises service past 113 homes in the Towns of Howard and Tilden, in Chippewa County northwest of Chippewa Falls.	Closed	\$282,500.00	\$436,048.00

ID#	Grantee (Project)	Project Description	Status	Award	Match
63	Nsight Teleservices DBA Nsight Telservices (Town of Sheboygan Falls Hwy O Fiber Build)	This project will build a 7.5 mile fiber route along Highway O in Sheboygan County between Highway 32 and County Road E. The fiber route will pass 23 businesses and 3 community anchor institutions.	Closed	\$177,895.00	\$415,088.00
64	Bug Tussel Wireless (Juneau County)	This project will build and equip two towers to provide a fixed wireless service in the Village of Necedah and the Towns of Necedah and Clearfield.	Closed	\$188,982.00	\$283,472.00
65	Bug Tussel Wireless (Town of Brooklyn)	This project will build and equip a tower to provide a fixed wireless service in the vicinity of the Town of Brooklyn in Dane County and the Town of Union in Rock County.	Closed	\$102,982.00	\$154,472.00
66	Packerland Broadband (Marinette County)	This project will deploy a TV White Space system to 10 locations in Marinette County. A tower will be placed in Town of Dunbar.	Closed	\$210,733.00	\$210,733.00
67	Packerland Broadband (Town of Wabeno - Trump Lake)	This project will build a cable service to homes adjacent to Trump Lake, in Forest County north of Wabeno, and deploy a TV White Space system from 2 antenna locations in Wabeno.	Closed	\$98,000.00	\$128,617.00
68	CenturyLink (Cambria Area)	This project will build a DSL service to six service nodes; three would be in the rural area northwest of Cambria around Highway 33, and three would be northwest of Friesland. The project would upgrade service to 68 locations.	Closed	\$174,150.00	\$19,350.00
69	CenturyLink (City of Prairie du Chien)	This project will install a total of 8 miles of fiber to five DSL service devices in the Prairie du Chien telephone exchange, and to upgrade the electronics at the remote devices.	Closed	\$60,480.00	\$73,960.00
70	CenturyLink (Footville Area)	This project will build a 1.3-mile fiber route from the Footville exchange office to a DSL service node north of Footville and west of Janesville in Rock County.	Closed	\$25,875.00	\$77,625.00
71	CenturyLink (Town of Mazomanie)	This project will build a 1,500 foot fiber route to a DSL service node located at the intersection of Hwys 14 and 19 east of Mazomanie in Dane County.	Closed	\$10,500.00	\$19,500.00

ID#	Grantee (Project)	Project Description	Status	Award	Match
72	Chequamegon Communications Cooperative DBA Norvado (Town of Barnes)	This project will build a fiber to the premises service in the vicinity of Tomahawk Lake in the Town of Barnes in Bayfield County. The fiber route will pass 215 homes and 15 businesses.	Closed	\$190,000.00	\$391,023.00
73	ChoiceTel (Town of St. Germain)	This project will build a fiber route between Eagle Rive and St. Germain, connecting the elementary school in St Germain to main campus of the Northland Pines School District. The route will also pass 235 homes and businesses located between Highway G and St. Germain.	Closed	\$150,226.00	\$100,150.00
74	Cochrane Cooperative Telephone Company (Town of Milton)	This project will build a fiber to the premises service past 245 homes and businesses located in the vicinity of Highway 35 between Cochran and Fountain City.	Closed	\$391,807.00	\$900,000.00
75	Eau Claire County (Chippewa Valley)	This project will install LTE and TV White Space fixed wireless equipment on 6 Eau Claire County and 3 Chippewa County towers, and build two towers (1 in Eau Claire County and 1 in Chippewa County).	Closed	\$200,000.00	\$350,000.00
76	Edge Broadband (Sugar Creek)	This project will build a fiber to the premises service past 31 businesses and 280 homes located south of Lake Wandawega and east of Highway 12, in the Town of Sugar Creek in Walworth County.	Closed	\$116,395.00	\$174,593.00
77	Ethoplex (Washington County)	This project will build a fixed wireless service in unserved areas of Washington County. The build out will include 5G technology for some areas.	Closed	\$82,425.00	\$82,425.00
78	Green County Development Corporation (Green County)	This project will build and equip four towers to provide a fixed wireless service in four towns in Green County (the southern portion along the state line and the northwest corner east of Blanchardville).	Closed	\$414,234.00	\$631,652.00
79	Hexis Communications (Town of Fredonia)	This project will provide a fixed wireless service in rural areas outside of Random Lake, in Sheboygan County.	Withdrawn	\$2,849.00	\$2,849.00

ID#	Grantee (Project)	Project Description	Status	Award	Match
80	BEVCOMM (Island Lake Area)	This project will build a fiber to the premises service past 119 homes and businesses in the vicinity of Island Lake in Rusk County.	Closed	\$134,516.00	\$201,773.00
81	Iron County Resource Development Association (Iron County, Phase 3)	This project will build 2 fixed wireless towers in Iron County, one west of Mercer and one north of Mercer.	Closed	\$47,925.00	\$47,925.00
82	Kewaunee County (Kewaunee County - Door County Broadband)	This project will build wireless towers, and install a fixed wireless service on those 3 towers and 5 existing towers in Kewaunee County.	Closed	\$40,000.00	\$40,000.00
83	Lakeland Communications (Town of Eureka, Phase 1)	This project will build a 10-mile fiber route from existing Lakeland facilities to the Town of Eureka. This project will also build past 104 homes and businesses in this first phase of the overall project.	Closed	\$156,000.00	\$570,120.00
84	Marquette-Adams Telephone Cooperative (Towns of Montello and Shields)	This project will build a fiber to the premises service past 50 homes in an unserved subdivision north of Montello, in Marquette County.	Closed	\$51,873.00	\$53,991.00
85	Mount Horeb Telephone Company (Town of Brigham)	This project will a fiber to the premises service past 74 homes and businesses located in the Town of Brigham in Iowa County.	Closed	\$244,200.00	\$1,056,660.00
86	Nextgen Communications (Town of Forest)	This project will a fiber to the premises service past 33 homes and businesses located in the Town of Forest in St. Croix County.	Closed	\$60,000.00	\$169,950.00
87	Amery Telcom (Town of Saint Joseph)	This project will build a fiber to the premises service past 260 homes and businesses located on the east side of Bass Lake in the Town of Saint Joseph in St. Croix County.	Closed	\$160,000.00	\$446,070.00
88	Oneida County Economic Development Corporation (Oneida County, Phase 4)	This project will deploy a fixed wireless service on 14 towers in unserved and underserved areas of Oneida County.	Closed	\$100,000.00	\$166,000.00
89	Price County Telephone Company (Town of Worcester)	This project will extend its existing fiber network, with dedicated backbone, distribution, feeder and drop fiber to approximately 173 properties on the west side of Solberg Lake in the the Town of Worcester.	Closed	\$250,292.00	\$353,292.00

ID#	Grantee (Project)	Project Description	Status	Award	Match
90	Red Cliff Band of Lake Superior Chippewa Indian (Town of Wiota)	This project will build a fixed wireless service using LTE small cell technology. The service will reach 320 tribal and 384 non-tribal homes in the Town of Russell.	Closed	\$224,750.00	\$243,586.00
91	Siren Telephone Company (Town of Lorain)	This project will build a fiber to the premises service to 18 locations in the Town of Lorain in Polk County. Siren would provide service at a speed of up to 1 Gbps to the homes and businesses on this route.	Closed	\$10,000.00	\$30,401.00
92	Solarus (Towns of Grant and Plover)	This project will build a fiber to the premises service to 164 businesses and homes in the Towns of Grant and Plover in Portage County.	Closed	\$170,749.00	\$256,123.00
93	Amery Telcom (Town of Somerset)	This project will build a fiber to the premises service past 163 homes and businesses located in the Town of Somerset in St. Croix County.	Closed	\$99,000.00	\$264,970.00
94	SonicNet (Town of Plum Lake)	This project will build and equip four towers to provide a fixed wireless service in the vicinity of Plum Lake in Vilas County.	Closed	\$51,913.00	\$51,912.00
95	TDS Telecom (New Glarus)	This project will build a DSL service to 28 service nodes in the vicinity of New Glarus, in Green and Dane Counties.	Closed	\$351,857.00	\$351,857.00
96	TDS Telecom (Monticello Area)	This project will build a DSL service to 26 service nodes in the vicinity of Monticello, in Green County.	Closed	\$492,915.00	\$492,915.00
97	Town of Dunn (Town of Dunn - Hoyos Consulting)	This project will build a fixed wireless service in the Town of Dunn in Dane County. This service will target homes and businesses that are south of McFarland and west of Lake Kegonsa.	Closed	\$31,146.00	\$32,417.00
98	Town of Liberty Grove (Town of Liberty Grove)	This project will build 3 wireless towers and install a fixed wireless service in Liberty Grove, adjacent to Sister Bay, in Door County.	Closed	\$118,760.00	\$118,760.00
99	Vernon Communications Cooperative (Vernon County, Phase II)	This project will build a fiber to the premises service 173 homes and businesses in unserved areas of Vernon County.	Closed	\$244,701.00	\$299,078.00
100	Waypoint Experts (Towns of Bayfield and Russell)	This project will build a fixed wireless service using LTE small cell technology. The service will reach 798 homes in the Towns of Bayfield and Russell.	Closed	\$144,257.00	\$118,410.00

ID#	Grantee (Project)	Project Description	Status	Award	Match
101	Wittenberg Wireless (Hollister and Pickerel Areas)	This project will build a 20-mile fiber route in Langelade County along Highway 55 from Hollister to Pickerel. This project will connect a fiber to the premises service to a Cellcom mobile wireless tower at the Pickerel end of the route, as well as 427 homes and businesses along the route.	Closed	\$390,011.00	\$405,930.00
