[Madison, Wis.] - The Public Service Commission of Wisconsin applauds the Governor Scott Walker's proclamation of May 4th through May 10th, 2014 as Safe Drinking Water Week in the State of Wisconsin.

"Access to safe and reliable drinking water is a necessity for all of us living in the great state of Wisconsin," said PSC Chairperson Phil Montgomery. "We are blessed with an abundant amount of natural resources in the Badger State, and insuring that we have safe and accessible drinking water is critical to the future of Wisconsin."

The Governor's proclamation showcases the importance of safe drinking water and the infrastructure that maintains and preserves access to that water in Wisconsin.
