**PSC Announces Next Round of Broadband Expansion Grants**

[Madison, Wis.] – Today, the Public Service Commission of Wisconsin announced that they are now accepting applications for Broadband Expansion Grants for Fiscal Year 2015. Under this program, the Commission may award up to \$500,000 in grants during Fiscal Year 2015 to improve broadband communications services throughout Wisconsin.

During Fiscal Year 2014, the Commission awarded seven grants for broadband projects that will enhance access to the Internet around the state. This next round of grants will continue to address the demand for high speed internet and IP-enabled telecommunications services in areas of the state that are currently unserved or have limited internet provider options.

Applications for the Broadband Expansion Grants for Fiscal Year 2015 are due October 13, 2014.

Application instructions and additional information may be found at:
