## Glacier Hills Public Hearing Postponed

MADISON -- The Public Service Commission of Wisconsin (PSC) has postponed the Monday, July 13, 2009 Glacier Hills Wind Park public hearing until late October or early November 2009. PSC staff will be preparing an Environmental Impact Statement (EIS) regarding the proposed project.

A draft EIS will be prepared and distributed for comments. A final EIS which considers these comments and additional analyses must be completed prior to a public hearing.

The Glacier Hills Wind Park is a wind electric generating facility proposed by Wisconsin Electric Power Company (WEPCO) to be located in the towns of Randolph and Scott in Columbia County, Wisconsin.

Documents associated with the Glacier Hills Wind Park application can be viewed on our Electronic Regulatory Filing System at <http://psc.wi.gov/>. Enter case number 6630-CE-302 in the boxes provided on the PSC homepage, or click on the Electronic Regulatory Filing System button.
