WATER OPERATING SECTION FOOTNOTES

Water Services (Page W-16)

1. The two 3/4" services added during 2002 were financed through utility resources and the benefitted property owner will be billed for the new services per rates on file after the utility receives an invoice from the installing plumber.
 2. Per request, dated January 10, 2003, from Public Service Commission, the reason for more services than customers is that there are 24 services hooked up through one customer(trailer court).
